THE YRA WELCOMES YOU TO THE 2013 RACING SEASON

Welcome to the YRA's 2013 Racing Season! As always, we've got racing opportunities for everyone, whether you sail a multihull, a classic woody or a one design boat, sail on the ocean or under PHRF in the Bay.

For 2013 the YRA Racing Season offers four different racing options:

- Party Circuit: includes our three marquee weekend regattas as well as the Summer Sailstice Race.
- YRA Series: a four-day Series with one race day each month starting in May and running through September.
- OYRA: nine fully crewed ocean races this year, and a shorthanded division.
- Wooden Boat Series: a full schedule of in-the-Bay racing for Bears, Birds, IODs, Folkboats and Knarrs.

You can find information on the different racing series in this publication and on the YRA website, www.yra.org. Also this year we are going completely electronic. All entries will be handled through the YRA website using the Jibeset system.

We encourage everyone to get a YRA membership and sign up to race. Your membership, support and participation in the YRA helps us do everything we do. And we do a lot:

- Administer the local PHRF database; more than 700 certificates were issued in 2012.
- Coordinate with the U.S. Coast Guard to process event permits – more than 850 permits in 2012.
- Maintain racing buoys in the Bay.
- Host the US Sailing Area G Appeals Committee.
- Advocate for sailing and racing in the Bay Area.
- Offer great racing.

As always, we want to thank the YRA member Yacht Clubs and their Race Committees who are sponsoring this year's YRA Races. We couldn't do it without you and your support. We know each YRA skipper and crew thanks you as well.

Be sure to follow us on Twitter and Facebook to keep up with all the latest YRA news. You can find us on Twitter at YRAofSFBay and on Facebook at the YRA of SF Bay page!

Get those entries in, get your boats and crews prepared, and get out to the start line for every race you're scheduled to sail.

Fair winds to all,

INNOVATION COMES STANDARD

Newport Bermuda Race Winner Shockwave, with new "Reaching Code 0"

The new generation Doyle Code 0 replaces the standard Code 0 and the A3, doing the job of both sails better.

The sail flies with a tighter luff, allowing more aggressive steering and easier sail trim, while advanced fiber placement within the laminate ensures stable flying shape and comparable weight to an A3. Covering an extremely wide range, combined with a unique furling system, the sail's superior characteristics make it a winner.

Doyle's innovative engineering capabilities and advanced sail construction techniques continue to develop winning sails for its customers.

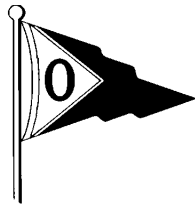

To find out how Doyle can help you make the most of your time on the water, call your local Doyle loft or visit doylesails.com.

SIGN UP FOR THE 2013 RACING SEASON

Entry Form
next page!

Welcome to YRA Racing, the BEST racing value on the bay!

Thank you for participating in the YRA! We offer a choice for racing both on the Bay and on the local ocean!

SERIES INFORMATION

The YRA Party Circuit

- Includes the 3 marquee YRA Weekend Regattas plus the 1 day Summer Sailstice Regatta. Weekend regattas are The Great Vallejo Race, the YRA 2nd Half Opener, and the YRA Season Closer. The three weekend regattas features 2 days of racing and a party at the host club Saturday night.
- All 5 races are longer, destination style races.
- There are 6 Divisions available for each Regatta: PHRF, Sportboat, One-Design, Double/Singlehanded, Non-Spinnaker & Multihull. Divisions may be split into multiple fleets to ensure competitive racing.

The YRA Series

- In the Bay racing for boats with a current NCPHRF rating certificate (HDA) or for One-Design classes (ODCA).
- The series consists of 4 race days- YRA 1, YRA 2, YRA 3, YRA 4. Multiple races may be held on each race day.
- HDA Divisions are determined by grouping similarly rated boats.
- YRA Series Racers are invited to race in the Crewed Lightship ocean race for an additional \$5.00. Additional OYRA equipment requirements must be met. See http://www.yra.org/OYRA/ocean_safety.html.
- One-Design starts are available for any fleet that signs up for the ODCA season, or, gets at least 5 boats to sign up for a single race day. If you are not sure if your One-Design fleet is a current ODCA fleet, or would like to sign your fleet up for ODCA, please contact the YRA office at (415) 771-9500 or info@yra.org.

OYRA (Offshore Yacht Racing Association)

- In 2013, there are 9 ocean races ranging from 25 to 60+ nautical miles.
- OYRA racers are invited to race in the Great Vallejo Race for only an additional \$5.00!
- Racers will be divided into divisions determined by the OYRA board. Racers can also choose to race in the Short Handed division:

WBRA (Wooden Boat Racing Association)

- The WBRA participates in the US Sailing Golden Anchor program which makes WBRA racers eligible for a discounted US Sailing Membership. US Sailing memberships through the WBRA Golden Anchor program must be purchased online here: <http://www1.ussailing.org/membership/MPP/Default.aspx?ycid=112274N>
- Bay racing for one of the following 5 fleets:
 - Bird Boats
 - Bear Boats
 - Folkboats
 - IODs
 - Knarrrs

GENERAL INFORMATION

- **YRA Sailing Instructions are available on the YRA website at www.yra.org.** Sailing instructions are normally posted approximately 2 weeks prior to each race. If you do not have access to the internet and need to have your race instructions mailed to you, please contact the YRA office at (415) 771-9500 or info@yra.org
- Entries for a series, or individual regatta, must be received by 5 pm the Monday before the race or a \$35 late fee will be applied. No entries will be accepted after 5 pm the Wednesday before a race.
- **A YRA sailing membership and a membership in a YRA member yacht club is required to register a boat for any YRA series.** A YRA membership is required to race in any individual YRA Race, but one time racers do not need to belong to a member club.
- The YRA Offers a discount on all race fees to US Sailing Members. YRA Racers are eligible for a discount on US Sailing Memberships through the Golden Anchor Program. US Sailing Memberships can be purchased online at <http://www1.ussailing.org/membership/MPP/Default.aspx?ycid=101132Z>.
- Sailors entering the OYRA Season, or any individual OYRA Race, must submit complete an online crew & boat registration form through jibeset.net before each ocean Race. See http://www.yra.org/OYRA/ocean_safety.html for more information. **Please note that to race in an OYRA Race there are rigorous additional safety requirements in effect, including the requirement for a 406 EPIRB or 406 PLB.**
- Please fill out your entry form completely, sign, date and return it to the YRA office along with your payment. If you need additional assistance completing this form, please contact the YRA office.
- You can save time and postage by signing up online! Visit www.yra.org for more information!

**IT'S TIME FOR ALL OF US
TO TURN OVER A NEW ONE.**

**IT'S TIME FOR A POWERFUL, NEW ANTIFOULING THAT IS
TRULY CLEAN, GREEN AND COPPER-FREE.**

Turning over a new leaf has never been easier, or more satisfying. With Pettit's Ultima ECO, boaters can indulge their environmentally friendly side while still enjoying the benefits of aggressive, multi-season protection against fouling and slime. With 50% more Ecomea biocide than its closest competitor, Ultima ECO is the only multi-season bottom paint to offer a true alternative to copper. Unbeatable protection. A smaller environmental footprint. Isn't it time you turned over a new leaf?

Speed. Performance. Expertise. Reliability.

For every race, you demand these qualities of your yacht and crew. Like a skipper of his fine-tuned racing crew, we demand these same qualities from our skilled yard professionals.

Bay Marine excels in helping your boat's performance on the race course with preparation, maintenance and repairs because:

- We offer quality sprayed-on racing bottoms that can prepare your boat for the upcoming race season.
- We can maintain your vessel to help keep it in good operating condition.
- When mishaps occur, we can repair your boat in a timely fashion to ensure you spend your weekends on the race course... not in the boatyard.

Give us a call today to schedule your upcoming yard visit.

AMERICA'S CUP 34

Not only will the 34th America's Cup competition be the most prestigious sailing event ever staged on San Francisco Bay, but it's sure to be a whole lot of fun for all who turn

out to watch its fast-paced action.

As the event's organizers often point out, never before has an America's Cup venue provided better viewing opportunities than here in the Bay's "spectacular

natural amphitheater." And never before have organizers gone to such extraordinary lengths to make the Cup and its associated activities more appealing to the general public. Below is a quick reference guide to upcoming Cup-related events.

America's Cup Basics

After the Golden Gate YC's team BMW Oracle Racing won America's Cup 33 in Valencia, Spain (2010), San Francisco was announced as the site for AC 34. The defender (ORACLE TEAM USA), working with the Challenger of Record (Artemis Racing) defined the design parameters for the upcoming competition, ultimately selecting the revolutionary AC72 catamaran design, which will be faster and more physically demanding than any previous AC boat type. Each AC 34 team must build its boat's hulls in the team's home country, and, if they choose to, each team may also build a second boat for training purposes.

As always, challengers will compete in the Louis Vuitton Cup match-racing elimination series, which is slated to begin in July. The eventual winner will face ORACLE TEAM USA in the America's Cup 34 Finals, beginning in

early September.

There are four official challengers:

- Emirates Team New Zealand
- Artemis Racing
- Luna Rossa Challenge 2013
- Team Korea

About the AC72s

The use of these 72-ft catamarans will truly bring America's Cup racing into the realm of 'extreme sports' for the first time. With hull lengths of 72 feet and beams of 46 feet, these purpose-built speed machines employ 131-ft wing masts that harness enough wind power to travel at twice the apparent wind speed. In San Francisco Bay's normal summer winds, speeds could be in the mid-40-knot range, or higher. Added together, the wing and genaker have a 'sail' area of more than 6,000 square feet.

In an effort to bring race fans as close to the onboard action as possible, each boat will carry video cameras and microphones.

The America's Cup World Series

Unless you've been hibernating under an overturned dory somewhere, you know that 2012's America's Cup World Series on San Francisco Bay (aboard AC45 cats) produced some of the most exciting racing ever seen here. As was widely reported, those events

brought many of the world's top sailors to the Bay, and many of them will be back this summer to compete in AC 34. Among them — to name but a few — will be Ben Ainslie, Russell Coutts, Jimmy Spithill and Loïck Peyron, in addition to the Bay's own Paul Cayard and John Kostecki.

Following the confirmed ACWS events in Naples, Italy, this spring, two additional contests will be staged on the East Coast of the U.S.

Courses will be set up for maximum viewership, from both on shore and on the water.

The Red Bull Youth America's Cup

One thing that AC 34 organizers are very proud of is that this edition of Cup events has a greater commitment than ever before to developing young sailors into world-class athletes.

The centerpiece of this effort will be the first-ever Red Bull Youth America's Cup, which will culminate in a series of races aboard AC45 cats that is scheduled for early September, just prior to the America's Cup Finals.

During the lead-up to that event, many teams of top young sailors will vie to be included in the competition. Some will be sponsored by AC and/or ACWS (adult) teams, while others will be selected from hundreds of applicants at the RBYAC Trials in February.

WOMEN'S CIRCUIT

The events on this page constitute *Latitude 38's* unofficial Women's Circuit. We challenge women sailors to take the helm and create their own series of events from this list. You don't need to finish first to win, and you don't need to do all the races on the list either! Just send proof of your participation in as many events as you can to chris@latitude38.com, or fax it to (415) 383-5816, by November 8, 2013, and you could be crowned *Latitude's* 'Queen of the Women's Circuit'.

Kristen Soetebier, the 2012 Queen of the Women's Circuit and Commodore of Island Yacht Club, raced her Cal 20 *Kapi'i* in IYC's Sadie Hawkins Race in February and her Santana 22 *Pueo* in IYC's Jack & Jill + 1 in November. She was an organizer of the Women's Sailing Seminar in September and volunteered during both days of the event, which was also held at IYC.

MINIMUM EQUIPMENT LIST

The following equipment shall be required for all yachts racing in YRA events.

1. USCG-approved life jackets for each member of the crew. If the 'Y' flag is displayed, USCG-approved life jackets shall be worn while racing.
2. One horseshoe life ring or 18-inch diameter USCG-approved ring buoy.
3. USCG-approved (or equivalent) fire extinguisher as required by USCG rules, readily accessible.
4. One manually-operated bilge pump.
5. One suitable anchor and cable.
6. Fog horn.
7. Marine compass.
8. Suitable charts for piloting.

Racers entering an ocean race or an ocean series must comply with the specific OYRA Minimum Equipment Requirements, including the requirement for a 406 EPIRB or PLB. No later than the Thursday before

EACH race sailors must complete the online Crew & Boat registration form through www.jibeset.net. Please refer to www.yra.org/OYRA/ocean_safety.html for more information on ocean racing requirements.

Contestants are reminded that conditions on San Francisco Bay are quite unpredictable, and winds in excess of 30 knots are not uncommon. The US Sailing rules state: "It shall be the sole responsibility of each yacht to decide whether or not to start or continue the race."

We would further remind all sailors that, as provided in US Sailing rules: "Every yacht shall render all possible assistance to any vessel or person in peril, when in a position to do so." We will trust that all contestants will do everything in their power to make our sport of yacht racing as safe as it has been in the past.

Note that 406 EPIRBs or PLBs are required equipment on OYRA races and many other ocean races!

Jim Quanci, after placing 1st Overall in the 2012 Singlehanded TransPac in his Cal 40 *Green Buffalo* says:

"13 days from San Francisco to Hawaii alone, 10 of those days flying the spinnaker in winds up to 32 knots without a round up or a wrap. My Alpha Spectra autopilot drove the whole way – and then drove the boat another 16 days taking us home. What more can one ask for? I just love my Alpha Spectra autopilot."

RULES

Latitude 38's Basic Racing Guidelines

Since sailboat racing is a recreational sport, we think the number one rule should be to have fun. Beyond that, some basic guidelines help prevent collisions and ensure that racing is both fun and fair. Below is an outline of the ten basic rules which cover most racing situations. For completeness and total accuracy, refer to *Racing Rules of Sailing 2013-2016*, published by US Sailing. See www.ussailing.org/rules for details.

1. **Port tack keep clear** of starboard tack.

2. If boats are on the *same tack, and overlapped*, the **windward boat must keep clear** of the boat to leeward.
3. If boats are on the *same tack*, a **boat clear astern must keep clear** of a boat *clear ahead*.
4. **When tacking or jibing, keep clear** of boats on a tack.
5. **Avoid collisions.** If you have the right of way and hit the other boat, causing damage or injury, you both will be penalized.
6. **Don't obstruct.** Don't make it hard for the 'keep clear' boat to do so. (No hunting allowed.)
7. **Sail the course** prescribed. You have to round the marks in the directions specified in the sailing instructions and can't touch a mark.
8. **Proper Course** (same tack, within two hull lengths). If the leeward boat came from astern, leeward boat shall not sail above its own proper course during the overlap. (Remember that windward boat still has to keep clear, even if windward is forced above what it believes is windward's proper course. Leeward still has right of way.)
9. **Give room at marks and obstructions** to yachts overlapped on the inside, except:
 - a. When the overlap did not exist before the lead boat reaches the **three-boatlength zone**.
 - b. When approaching a windward mark on opposite tack.
 - c. At a starting mark surrounded by navigable water. That is, you don't have to let a barger in at the start except to avoid collision (then protest).
10. **Acknowledge your fouls and protest those who don't.**

A free rule book comes with US Sailing membership. See www.ussailing.org.

2013 YRA PARTY CIRCUIT

Three great regattas plus a bonus race!

Welcome to the 7th year of the YRA PC Series! This great series gives you three weekend regattas plus an additional race day in June! The PC Series consists of the three marquee YRA events – the Great Vallejo Race, sponsored by the Vallejo Yacht Club, the 2nd Half Opener, sponsored by Encinal Yacht Club, and the Season Closer, sponsored by Corinthian Yacht Club. Each weekend regatta features a long distance race on Saturday, a party at the hosting club Saturday night and a shorter race on Sunday. The Summer Sailstice Regatta, hosted by South Beach Yacht Club, is a one-day race only and is part of the global holiday of Summer Sailstice. The after-party for the Summer Sailstice race is hosted by Encinal Yacht Club. The Summer Sailstice after-party is actually the Summer Sailstice San Francisco Festival, guided by a committee of sailing organizations and businesses. It's Northern California's largest on-the-water celebration for everyone who loves harnessing wind, water, sun and sails to power their fun! You can get more information on the Summer Sailstice holiday and the San Francisco Festival at Encinal Yacht Club online at the Summer Sailstice website, www.summersailstice.com.

There will be six divisions for each regatta: PHRF, Sportboat, One-Design, Multihull, Short-Handed and Non-Spinnaker. We'll then divide up each division into as many fleets as needed to create good racing.

The three weekend regattas plus the Summer Sailstice race only cost \$150 when you sign up for the entire series. We think the PC Series is the best racing value on the Bay! If you were to sign up for each race individually it would cost you almost \$300. You can also sign up for the YRA Series (HDA & ODCA) and add the PC Series for a grand total of only \$180 – that gives you 11 race days for about \$16 a race. We're pretty sure that's hard to beat!

The dates for the 2013 YRA Party Circuit are:

- May 4 – The Great Vallejo Race 1, Party Saturday night at Vallejo Yacht Club
- May 5 – The Great Vallejo Race 2
- June 22 – The Summer Sailstice Regatta
- July 27 – The YRA 2nd Half Opener, Party Saturday night at the Encinal Yacht Club
- July 28 – The YRA 2nd Half Opener, Escape To/From Alcatraz Race
- October 5 – The YRA Season Closer, Party Saturday night at the Corinthian Yacht Club
- October 6 – The YRA Season Closer, the Crazy 8 Race

1. RULES

1.1. The PC Series of regattas will be governed by the Racing Rules of Sailing, 2013-2016 (RRS).

2. ELIGIBILITY

- 2.1. All yachts that meet PHRF minimum requirements and/or one-design class requirements are invited to compete in the YRA PC Series of regattas to be held on San Francisco Bay.
- 2.2. All competitors must:
- 2.2.1. Hold a 2013 PHRF Certificate from the NCPHRF Committee.
 - 2.2.2. Be members of YRA.
 - 2.2.3. Be a member of a Yacht Club (YC) belonging to the YRA.

3. REGISTRATION

3.1. Eligible boats may enter electronically on the YRA website or request that entry forms be sent from the YRA office. Entry forms are also available for download on the YRA website and are printed in the *Latitude 38* Master Racing Schedule for San Francisco.

4. FEES

- 4.1. Competitors may enter the entire series as a discounted package or may enter any of the four Regattas individually.
- 4.2. Entry fees and deadlines are outlined on the YRA entry form described in Paragraph 3.1.

5. MANAGEMENT

- 5.1. Each Regatta shall be under the management of the race committee of the sponsoring yacht club for that Regatta. The Yacht Club and Race Committee Chairman for each race is listed in the Sailing Instructions for that race.
- 5.2. The YRA Board of Directors contact information is listed on the YRA website.

6. SCHEDULE AND RACING AREAS

6.1. Dates, venues, and sponsoring yacht clubs are as follows:

Date	Race – Racing Area	Sponsoring Club
5/4 – 5/5	YRA Season Opener/The Great Vallejo Race	Vallejo YC
6/22	The Summer Sailstice Regatta	South Beach YC
7/27 – 7/28	YRA 2 nd Half Opener	Encinal YC
10/5 – 10/6	YRA Season Closer	Corinthian YC

6.2. Only one race is scheduled for each race day.

7. ENTERTAINMENT

- 7.1. There will be a party, hosted by the Sponsoring Yacht Club, on the Saturday night of each event. Food and drink tickets may need to be purchased for each participant and will be available at the event.
- 7.2. All participants are encouraged to overnight at the sponsoring club for each event. Docking, anchoring and/or rafting space will be available.

8. SAILING INSTRUCTIONS

8.1. Sailing Instructions will be posted on the YRA website approximately two weeks prior to each Regatta.

continued on page 56

- 8.2. Notices to competitors and changes to the Sailing Instructions will be posted on the YRA website.
- 8.3. Entrants may request that Sailing Instructions be sent by U.S. Mail. This request may accompany their entry or thereafter, but must be in writing and include name, boat name, sail number, and address.

9. COURSES

- 9.1. Courses will be defined in the Sailing Instructions for each race day.
- 9.2. Saturday courses are considered "destination" courses, with distances 20+ miles long.
- 9.3. Sunday courses are shorter courses, generally 8 to 15 miles long, designed to get racers home by late afternoon.
- 9.4. PC courses use predominately permanent marks.

10. DIVISIONS

- 10.1. Divisions will be provided for the following types of boats:
 - 10.1.1. PHRF
 - 10.1.2. Sportboat
 - 10.1.3. One-Design
 - 10.1.4. Multihull
 - 10.1.5. Short-Handed
 - 10.1.6. Non-Spinnaker
- 10.2. The YRA may break down the divisions into fleets to ensure good racing.

11. SCORING

- 11.1. The Low Point Scoring System RRS A4.1 will be used to score finishing boats. RRS 4.2 is modified to state, penalty points will be added to the number of boats that came to the starting area plus one for OCS, DNF, DNS or RAF (prior to protest hearing), plus two for DNC, and plus three for DSQ. A DSQ for Safety Violation is considered as a (DNE) in addition to RRS 89.3(b). Ties will be broken in accordance with RRS A7 or A8 as appropriate. RRS A9 is deleted.
- 11.2. The Handicap fleets will be using the Time-on-Time (TOT) system of scoring.

12. COMMUNICATIONS

- 12.1. RRS 25 is changed to allow for on-the-water radio communication between the Race Committee and racing boats on the VHF channel specified in the Sailing Instructions for that day. The RC may hail OCS and may advise the fleet starting order by loud hailer and/or VHF radio.
- 12.2. Participating boats must notify the Race Committee if they are dropping out of the race or will be unable to finish the race within the stated time limit found in the Sailing Instructions.

13. MINIMUM EQUIPMENT LIST

- 13.1. Comply with the United States Coast Guard's equipment requirements for recreational vessels.
- 13.2. USCG-approved life jackets for each member of the crew.
- 13.3. One horseshoe life ring or USCG-approved ring buoy.
- 13.4. A USCG-approved fire extinguisher, readily accessible.
- 13.5. A manually operated bilge pump.

2. ELIGIBILITY

- 2.1. All yachts that meet PHRF minimum requirements are invited to compete in the HDA Division of the YRA Series of races to be held on San Francisco Bay.
- 2.2. All HDA competitors must:
- 2.2.1. Hold a 2013 PHRF Certificate from the NCPHRF Committee.
 - 2.2.2. Be members of YRA.
 - 2.2.3. Be members of a Yacht Club (YC) belonging to the YRA.
- 2.3. All yachts that meet one-design class requirements are invited to compete in the ODCA Division of the YRA Series of races to be held on San Francisco Bay.
- 2.4. All ODCA competitors must:
- 2.4.1. Be members of YRA.
 - 2.4.2. Be members of a Yacht Club (YC) belonging to the YRA.
 - 2.4.3. Be members of a One-Design fleet that has secured at least five entries for a particular race.

3. REGISTRATION

3.1. Eligible boats may enter electronically on the YRA website or request that entry forms be sent from the YRA office. Entry forms are also available for download on the YRA website and are printed in the *Latitude 38* Master Racing Schedule for San Francisco.

4. FEES

4.1. Entry fees and deadlines are outlined on the YRA entry form described in Paragraph 3.1.

5. MANAGEMENT

- 5.1. Each race shall be under the management of the race committee of the sponsoring yacht club for that race. The Yacht Club and Race Committee Chairman for each race is listed in the Sailing Instructions for that race.
- 5.2. The HDA contact information is listed on the YRA website.
- 5.3. The ODCA contact information is listed on the YRA website.
- 5.4. An Alpha Numerical code flag determined by the HDA denoting the assigned division must be flown from the backstay of each HDA boat.

6. SCHEDULE AND RACING AREAS

6.1. Dates, venues, and sponsoring yacht clubs are as follows:

Date	Race – Race Format	Sponsoring Club
5/11	YRA Series #1	Berkeley YC

9/7	YRA Series #4	Encinal YC

7. SAILING INSTRUCTIONS

- 7.1. Sailing Instructions will be posted on the YRA website approximately two weeks before the race.
- 7.2. Notices to competitors and changes to the Sailing Instructions will be posted on the YRA website.

continued on page 58

- 7.3. Entrants may request that Sailing Instructions be sent by U.S. Mail. This request may accompany their entry or thereafter, but must be in writing and include name, boat name, sail number, and address.

8. COURSES

- 8.1. Courses will be defined in the Sailing Instructions for each race day.
8.2. Courses are of varying distances from 3 to 20 miles long and are selected by the Race Committee to provide 2 to 3 hours of racing.
8.3. HDA and ODCA courses use predominately permanent marks with occasional temporary marks.

9. SCORING

- 9.1. The Low Point Scoring System RRS A4.1 will be used to score finishing boats. RRS 4.2 is modified to state, penalty points will be added to the number of boats that came to the starting area plus one for OCS, DNF, DNS or RAF (prior to protest hearing), plus two for DNC, and plus three for DSQ. A DSQ for Safety Violation is considered as a (DNE) in addition to RRS 89.3(b). Ties will be broken in accordance with RRS A7 or A8 as appropriate. RRS A9 is deleted.
9.2. The HDA fleets will be using the Time-on-Time (TOT) system of scoring.

10. AWARDS AND CHAMPIONSHIPS

- 10.1. Daily trophies will be handed out for each individual race in the YRA Series.
10.2. HDA Racers and ODCA Fleets that sign up for the entire YRA Series will be eligible to compete for overall Series Championships. Single Race entries will not be counted towards series championships.

11. COMMUNICATIONS

- 11.1. RRS 25 is changed to allow for on-the-water radio communication between the Race Committee and racing boats on the VHF channel specified in the Sailing Instructions for that day. The RC may hail OCS and may advise the fleet starting order by loud hailer and/or VHF radio.
11.2. Participating boats must notify the Race Committee if they are dropping out of the race or will be unable to finish the race within the stated time limit found in the Sailing Instructions.

12. MINIMUM EQUIPMENT LIST

- 12.1. Comply with the United States Coast Guard's equipment requirements for recreational vessels.
12.2. USCG-approved life jackets for each member of the crew.
12.3. One horseshoe life ring or USCG-approved ring buoy.
12.4. A USCG-approved fire extinguisher, readily accessible.
12.5. A manually operated bilge pump.
12.6. Suitable anchor and cable.
12.7. Fog horn.
12.8. Marine compass.
12.9. Suitable charts for piloting.

13. DISCLAIMER OF LIABILITY

- 13.1. Sailing is an activity that has an inherent risk of damage and injury. Competitors in a YRA event are participating entirely at their own risk. See RRS 4, Decision to Race. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event. By participating in this event, each competitor agrees to release the race organizers from any and all liability associated with such competitor's participation in this event to the fullest extent permitted by law.

2013 OYRA Ocean Racing Series

NOTICE OF RACE

Organizing Authority: The YRA of San Francisco Bay
1070 Marina Village Pkwy., Suite 202-G
Alameda, CA 94501
(415) 771-9500 ph, (415) 276-2378 fx
info@yra.org email, www.yra.org website

1. RULES

- 1.1. These races will be governed by the Racing Rules of Sailing, 2013-2016 (RRS), the Prescriptions of US Sailing, this Notice of Race, and any Rules modified by the Sailing Instructions for OYRA races.
 - 1.1.1. Between the hours of sunset and sunrise, as recorded in any standard tide and current book for San Francisco Bay, the Steering and Sailing Rules from IRPCAS (International Rules for Prevention of Collisions at Sea, effective 1977) and UIR (the Unified Inland Rules, effective 1981) shall replace Part 2 of the RRS. Preamble to RRS Part 2 still applies. Competitors are advised that non-competing boats are not governed by RRS and that IRPCAS or UIR govern meetings with non-competing boats.
 - 1.1.2. The 2013-2014 ISAF Offshore Special Regulations Governing Offshore Racing for Monohulls and Multihulls, Prescriptions for Category 2 Racing, as modified by the "OYRA Minimum Equipment List," shall apply.
 - 1.1.3. 406 EPIRBs or PLBs are required to compete in all OYRA Races.
 - 1.1.4. RRS 40 is deleted and replaced with, "All competitors shall wear life jackets or adequate personal buoyancy while on deck." Note that Flag Y will not be displayed.
 - 1.1.5. RRS 41(d) is modified to include the use of cell phones and other Internet devices to obtain NOAA weather and buoy information.
 - 1.1.6. RRS 44.2 is not in effect. Penalties shall apply under RRS 44.3 using a penalty of 20% of the number of boats that came to the starting area, but not less than one, nor worse than DNF. This changes RRS 44.3(c).
 - 1.1.7. RRS 52 is modified to allow boats the use of powered winches, powered hydraulics, or powered furling devices as long as those boats have declared this information on their PHRF application. Only those boats that have declared this equipment and have been rated accordingly can sail in this configuration.
 - 1.1.8. RRS 77 is deleted and replaced with, "All mainsails and head sails larger than 125% must carry sail numbers identifying the vessel. The number on the mainsail and all headsails must be the same as on the entry form. Spinnakers need not carry sail numbers.
 - 1.1.9. RRS 89.2 (a) is deleted and replaced with, "Sailing Instructions, Notice of Race, Minimum Equipment Requirements, Boat/Crew Information and Statement of Compliance Forms, Entry Forms and other related material may be downloaded from the YRA website."

2. ELIGIBILITY

- 2.1. All monohulls with a valid NCPHRF Certificate and multihulls with a valid BAMA Certificate, which are equipped for offshore sailing, including having a 406 EPIRB (or PLB), are invited to compete in the OYRA Series of races to be held on the ocean waters surrounding San Francisco Bay.
 - 2.1.1. Monohull boats must have an enclosed cabin, a minimum overall length of 20 feet, and a displacement of 2,000 lbs. empty. Multihull boats shall have weather-tight enclosed accommodations for the crew and shall have the ability to float in an inverted position indefinitely.
 - 2.1.2. All boats must meet the Minimum Equipment Requirements and all standards set forth by the OYRA. Minimum Equipment Requirements can be found on the YRA website.
- 2.2. All OYRA competitors must:
 - 2.2.1. Be members of YRA.
 - 2.2.2. Be members of a Yacht Club (YC) belonging to the YRA.

3. REGISTRATION

- 3.1. Eligible boats may enter electronically on the YRA website or request that entry forms be sent from the YRA office. Entry forms are also available for download on the YRA website and are printed in the *Latitude 38* Master Racing Schedule for San Francisco.

3.2. Prior to each and every OYRA race, a competitor must complete the online Boat/Crew Registration. This online form will include a statement that the vessel has complied with all requirements of the OYRA Minimum Equipment List. Failure to complete the online Boat/Crew Registration will result in a boat being scored DNS.

4. FEES

4.1. Entry fees and deadlines are outlined on the YRA entry form described in Paragraph 3.1.

5. DIVISIONS

5.1. The Following five divisions shall make up the OYRA Fleet:

- 5.1.1. PHRO1A – Boats with a PHRF of 0 (zero) or less.
- 5.1.2. PHRO 1 – Boats with a D/W Ratio of less than 200 PHRF less than (TBD).
- 5.1.3. PHRO 2 – Boats with a D/W Ratio of less than 200 PHRF greater than (TBD).
- 5.1.4. PHRO 3 – Boats with a D/W Ratio of 200 or more.
- 5.1.5. SHS – Short Handed Sailing, open to any boat single or doublehanding. Must be specifically requested at time of entry.

6. MANAGEMENT

- 6.1. Each race shall be under the management of the race committee of the sponsoring yacht club. The yacht club and Race Committee Chairman for each race is listed in the Sailing Instructions for that race.
- 6.2. The OYRA board contact information is listed on the YRA website.

7. SCHEDULE AND RACING AREAS

7.1. Dates, venues, and sponsoring yacht clubs are as follows:

Date	Race – Racing Area	Sponsoring Club
4/20	Full Crew Lightship	St. Francis YC
6/1	Duxbury Lightship	South Beach YC
6/15	Full Crew Farallones	San Francisco YC
6/29	One Way to Half Moon Bay	Half Moon Bay YC
7/13	Junior Waterhouse	Richmond YC
8/11	SF Approach Buoys	Half Moon Bay YC
8/24	Drake’s Bay 1	Corinthian YC
8/25	Drake’s Bay 2	Corinthian YC
9/14	Southern Cross	Berkeley YC

- 7.2. The series shall consist of the nine ocean races described above. The number of races allows a boat to experience diverse weather conditions, night sailing, overnight anchoring, and close encounters with marine life.
- 7.3. A boat’s worst score shall be excluded from the full series.
- 7.4. To qualify for awards a boat must start 50% of the series races.

8. SAILING INSTRUCTIONS

- 8.1. Sailing Instructions will be posted on the YRA website approximately two weeks before the race.
- 8.2. Notices to competitors and changes to the Sailing Instructions will be posted on the YRA website.
- 8.3. Entrants may request that Sailing Instructions be sent by U.S. Mail. This request may accompany their entry or thereafter, but must be in writing and include name, boat name, sail number, and address.

9. COURSES

- 9.1. Courses will be defined in the Sailing Instructions for each race day.
- 9.2. Courses range from 21 to 64 NM.

10. SCORING

10.1. The Low Point Scoring System RRS A4.1 will be used to score finishing boats. RRS 4.2 is modified to state, penalty points will be added to the number of boats that came to the starting area plus one for OCS, DNF, DNS or RAF (prior to protest hearing), plus two for DNC, and plus three for DSQ. A DSQ for Safety Violation is con-

sidered as a (DNE) in addition to RRS 89.3(b). Ties will be broken in accordance with RRS A7 or A8 as appropriate. RRS A9 is deleted.

10.2. The Time-on-Time (TOT) system of scoring shall be used.

11. AWARDS AND CHAMPIONSHIPS

11.1. Daily trophies will be awarded for each individual OYRA race.

11.2. Series Championships will be awarded for the full series.

12. COMMUNICATIONS

12.1. RRS 25 is changed to allow for on-the-water radio communication between the race committee and racing boats on the VHF channel specified in the Sailing Instructions for that day. The RC may hail OCS and may advise the fleet starting order by loud hailer and/or VHF radio.

12.2. Competitors shall monitor VHF channel 16 while racing.

12.3. Competitors are advised to monitor Vessel Traffic Service on VHF channel 14 (inside the Bay) and 12 (on the ocean), and are encouraged to hail commercial vessels on channel 13 to ascertain their intentions. Information thus obtained about commercial traffic movements shall not be construed as outside assistance under RRS 41.

12.4. Participating boats must notify the race committee if they are dropping out of the race or will be unable to finish the race within the stated time limit found in the Sailing Instructions.

13. DISCLAIMER OF LIABILITY

13.1. Sailing is an activity that has an inherent risk of damage and injury. Competitors in a YRA event are participating entirely at their own risk. See RRS 4, Decision to Race. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event. By participating in this event, each competitor agrees to release the race organizers from any and all liability associated with such competitor's participation in this event to the fullest extent permitted by law.

2013 RACING SEASON

NOTICE OF RACE

Organizing Authority: The YRA of San Francisco Bay

1.0 RULES

- 1.1 Races will be governed by the *rules* as defined in *The Racing Rules of Sailing for 2013-2016*. **The Sailing Instructions replace the YRA Standing Sailing Instructions.**
- 1.2 RRS 40 is changed as follows: All competitors are required to wear life jacket or other adequate personal flotation device while racing.

2.0 ELIGIBILITY AND ENTRY

- 2.1 Members in good standing of the following classes are invited to participate: BIRD, FOLK-BOAT, IOD, KNARR and BEAR.
- 2.2 Eligible boats may request that entry forms be sent from the YRA office. They are also available on the YRA website, and in the *Latitude 38 2013 Northern California Sailing Calendar and YRA Master Schedule*.
- 2.3 In order to avoid a late fee, entry forms and fee must be **received at the YRA office by 5:00 p.m., Monday, April 8, 2013**, to enter the full season; and thereafter by 5:00 p.m. the Monday preceding any race, to enter the remainder of the season.
- 2.4 If an entry form and fee is received after 5:00 p.m. on the Monday preceding the full season, or after 5:00 p.m. on the Monday preceding any race for the purpose of entering the remainder of the season, such entry form and fee must be received by 5:00 p.m. the following Wednesday and include an additional late fee of \$35.
- 2.5 The normal WBRA entry fee is \$200, which includes a required YRA membership. WBRA Members are also eligible for a discounted US Sailing Membership through the Member Partner Program. Member Partner US Sailing Memberships must be purchased online. A link to the customized WBRA US Sailing Membership page can be found on the YRA website and in the confirmation email you will receive from the YRA after completing your entry into the WBRA. An entrant who has previously paid YRA membership dues for the current year is eligible for a \$50 adjustment.

3.0 MANAGEMENT

- 3.1 Each race shall be under the management of a race committee of the sponsoring yacht club.
- 3.2 Sponsoring Yacht Clubs, Class Officers, and WBRA Officers are listed in Appendix A.

4.0 SCHEDULE AND RACING AREAS

- 4.1 Dates, first warning signal, and venues are as follows:

4/13 1055 Cityfront
4/27 1055 Berkeley Circle
5/18 1055 Knox
6/8 1055 Berkeley Circle
6/22 1055 Knox
8/17 1055 Knox
9/7 1055 Berkeley Circle

5.0 MINIMUM EQUIPMENT LIST

5.1 Boats must comply with the United States Coast Guard's requirements for recreational vessels, and minimum additional equipment as follows: (1) USCG-approved life jackets for each member of the crew; (2) one horseshoe life ring or USCG-approved ring buoy; (3) a USCG-approved (or equivalent) fire extinguisher, readily accessible; (4) a manually-operated bilge pump; (5) suitable anchor and cable; (6) fog horn; (7) marine compass; and (8) suitable charts for piloting.

6.0 SCORING

6.1 The Low Point Scoring System RRS A4.1 will be used to score finishing boats.

6.2 RRS A9 will apply. RRS A4.2 is deleted.

6.3 For the purposes of qualifying the fleet for the season, a race that is abandoned shall be listed as a valid race for any boat that came to the starting area.

7.0 SAILING INSTRUCTIONS

7.1 Sailing Instructions, notices to competitors, and changes to the Sailing Instructions will be posted on the YRA website, www.yra.org, to be downloaded by the entrant.

7.2 Entrants may request that Sailing Instructions, notices to competitors, and changes to the Sailing Instructions be sent by U.S. Mail. This request may accompany their entry or thereafter, but must be in writing and include name, boat name, sail number, and address.

8.0 COMMUNICATIONS

8.1 RRS 25 is changed to allow for on-the-water radio communication between the Race Committee and racing boats on the VHF channel specified for that day in the WBRA Sailing Instructions. In addition to the normally displayed signal for boats OCS, the RC may hail OCS boats by loud hailer or VHF radio. Additionally, for the second race, the RC may advise the fleet starting order by loud hailer and/or VHF radio.

9.0 DISCLAIMER OF LIABILITY

9.1 Sailing is an activity that has an inherent risk of damage and injury. Competitors in a YRA event are participating entirely at their own risk. See RRS 4, Decision to Race. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event. By participating in this event, each competitor agrees to release the race organizers from any and all liability associated with such competitor's participation in this event to the fullest extent permitted by law.

YRA One Design Racing on San Francisco Bay

The Bay Area's active one design fleets welcome you to a new season of racing. Among these fleets, there's a boat that fits every skill, schedule or budget.

Are you still wondering if your fleet finish position was because of your PHRF rating or in spite of it? Come join a one design fleet and enjoy level racing where your finish is where you place, how well you sail is how well you do.

Contact the fleet captain for the class of your choice to discuss joining a fleet, buying a boat or learning more about the YRA One Design Racing season.

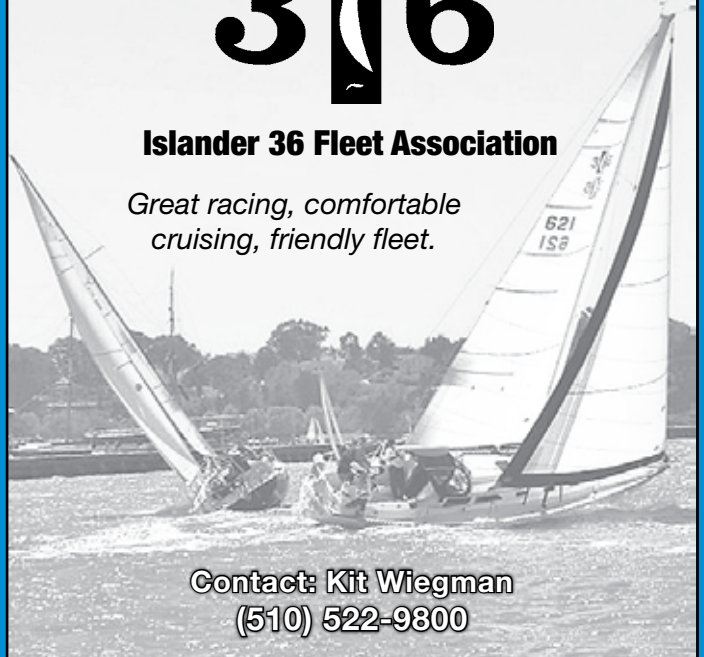

Sign up and join us on the water in 2013!

YACHTING YOUTH

Looking for a new way to entertain your kids this year? Look no further than the Bay Area's dozens of junior sailing programs. Many offer scholarships, and with rare exception, you don't need to have your own boat. Unless noted below, club membership is not necessary. High School sailing for students in grades 9-12 takes place around Northern California in the Pacific Coast Interscholastic Sailing Association. If your high school doesn't have a team – or enough students to field a team – don't fret. Most programs allow students from several schools to form a single team.

- Membership plans for everyone, come visit us!

The 114th Great Vallejo Race • May 4-5, 2013

For more information visit www.vyc.org

2013 RACE SCHEDULE

The SYC offers excellent racing off the scenic Marin Headlands adjacent to the iconic Golden Gate Bridge. The warm club atmosphere provides a great location for after race bragging or complaining. The bar and galley are open after all the races.

- Twin Island Series: Three races around Alcatraz and Angel Island on April 27, July 20 and October 19. (You choose your direction around the islands...)
- Sunset Series: Ten Spring and Summer races on alternate Tuesday nights to set aside work pressures for mid-week competition. The Spring Series starts April 30 and the Summer Series starts July 23.
- Rear Commodore's Race: A 20 mile race/cruise to Vallejo Yacht Club on June 22. This is usually a great downwind race with an excellent party and dinner afterward.
- Women Skippers Race: A race on April 6 with a woman as skipper. "No man may touch the wheel!"
- Midwinters Series: Five races on the first Sunday of the month from November through March.

WINDEX INNOVATION

WINDEX® 15

**with Bird-Proof
Spike!**

**Why Windex 15 is
the choice for
most sailors:**

- 15" wind vane (38 cm)
- Sapphire suspension bearing
- Adjustable tacking arms with tabs
- Vane and tabs feature reflectors for high visibility day and night.
- Weighs just 3.9 ounces (111 grams)
- Stands 12.75" tall (32 cm)
- Bird-proof spike extends another 10" (24 cm) above vane to discourage birds from landing.

The versatile J-Base can be purchased for Windex 15 to allow top or side mounting.

SAN FRANCISCO BAY

These current charts show direction and speed of the tidal current for each hour of current at the San Francisco Bay entrance. The charts depict the flow of tidal currents under normal weather conditions. Strong winds and freshets, however, bring about non-tidal currents which may modify considerably the speeds and directions shown in the charts.

USE OF CHARTS

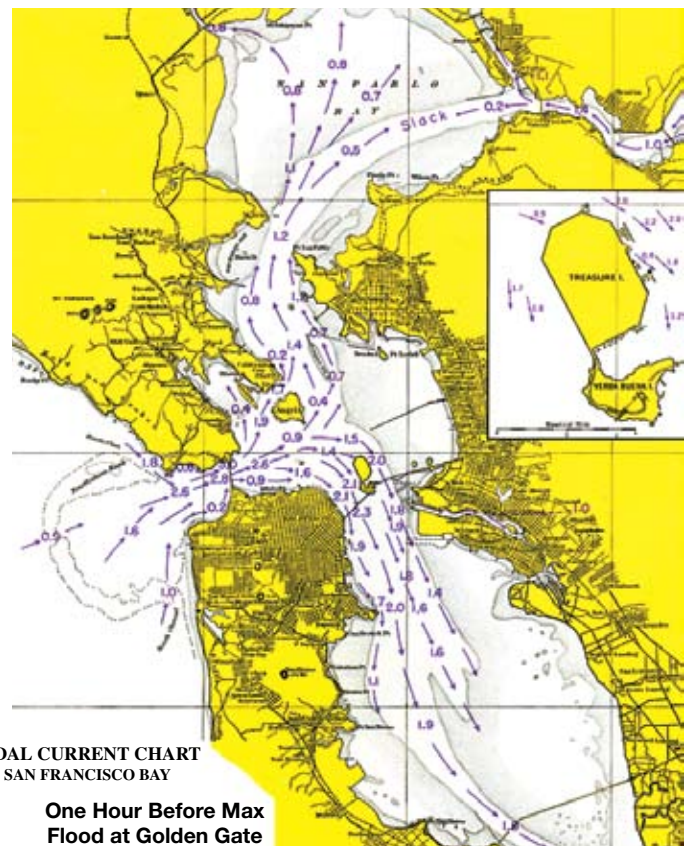

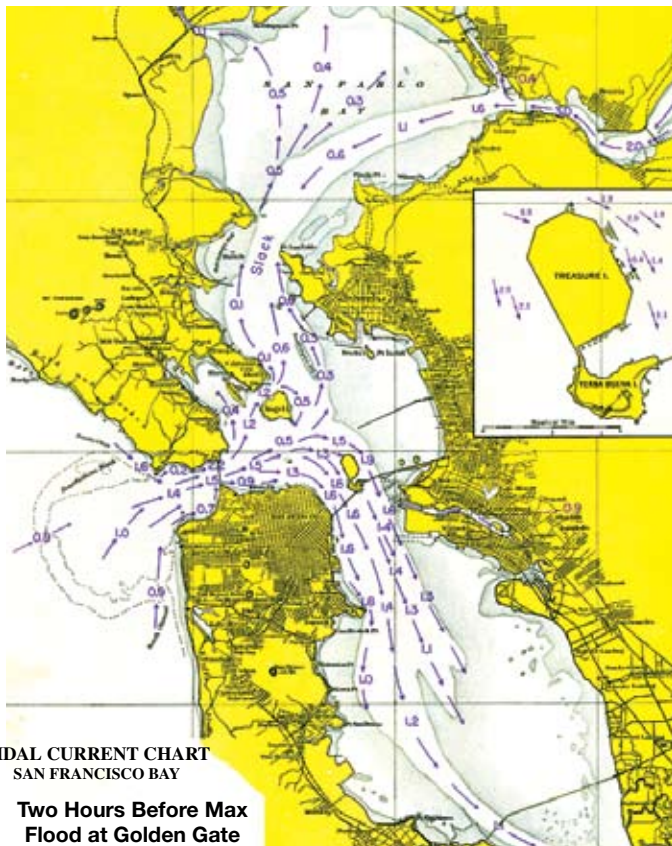

The chart to be used for any specific time is determined by obtaining the difference between the desired time and the time of the nearest Maximum Flood or Maximum Ebb for the Golden Gate. The chart with the title that agrees most nearly with this difference is the one to be used.

The numbers before or after the arrows indicate the 'tropic speed' of the current in knots. To determine the actual speed of the current for a particular day and hour, this tropic speed is multiplied by the factor given in the table to the right, 'Factors for Correcting Speeds'. To find the correct 'predicted speed' as listed in the table, see 'Weekend Currents' on pages 90 (January-June) and 96 (July-December).

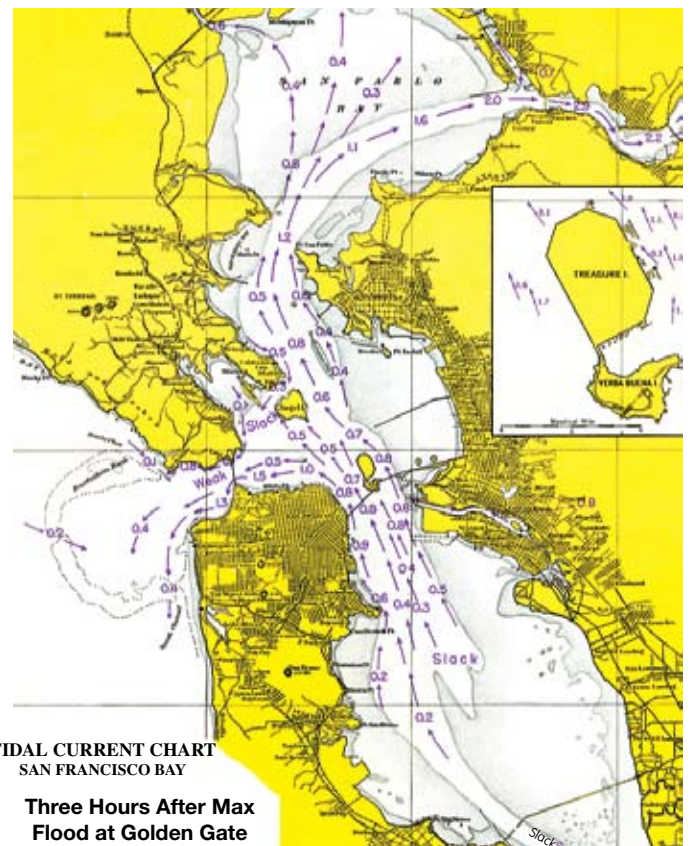

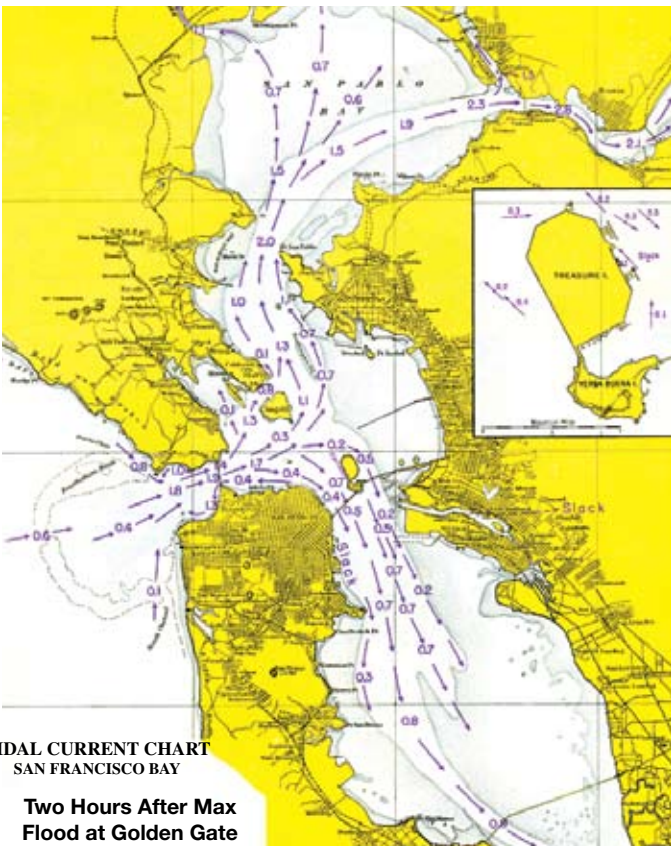

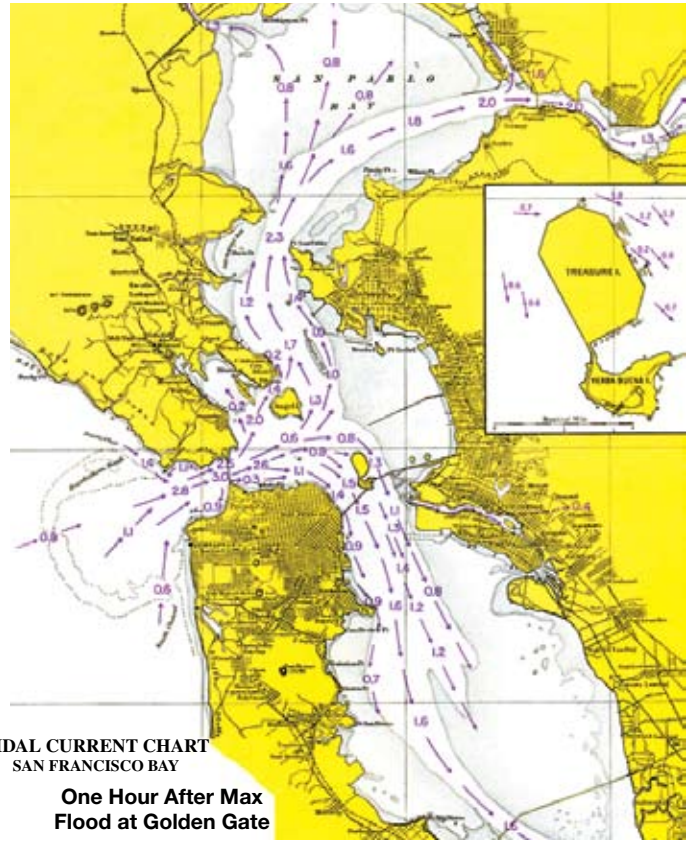

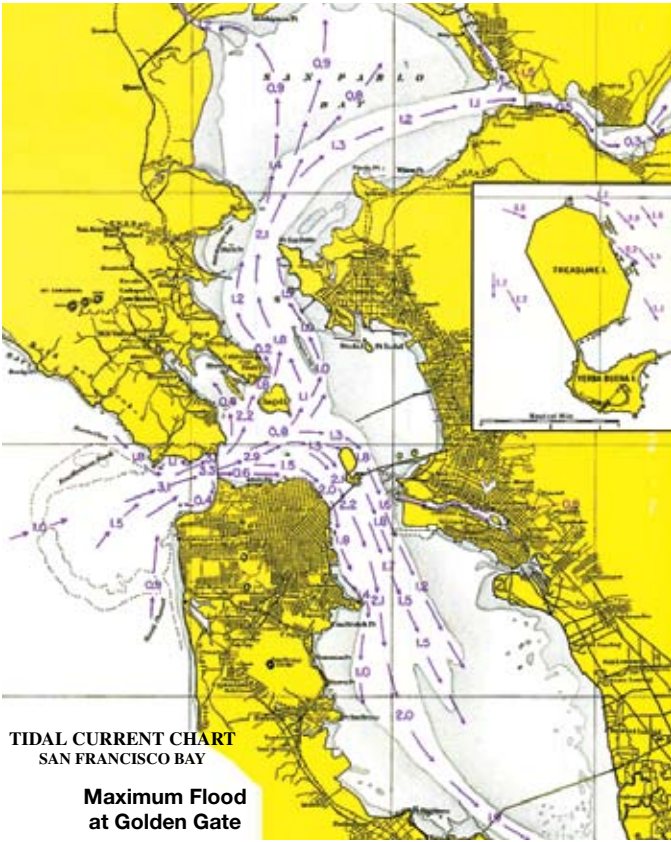

The charts on this page and those that follow are from the National Ocean Service, National Oceanic and Atmospheric Administration of the U.S. Department of Commerce.

Samson gets you across
the finish faster with
Control-DPX™ and
Smooth Ice.

Dyneema® is a registered trademark of Royal DSM N.V.
Dyneema is DSM's high-performance polyethylene product.

Control-DPX™

This new line features Samson's patented DPX™ fiber technology, which blends the light weight and ultra-high strength of Dyneema® fiber with spun polyester, creating a line with great grip that's easy to handle.

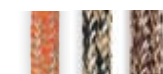

- > Excellent grip on cleats, stoppers, and winches
- > Soft hand, perfectly suited to sheets and control lines
- > Lightweight with high strength
- > Four colors available

Smooth Ice

The perfect complement to today's high-performance single braids, this cover-only construction completes Samson's Ice family by protecting your line from abrasion cost effectively, while improving grip on winches and cleats.

- > Braided cover protects covered rope from heat damage
- > Provides abrasion resistance, especially around jammers and stoppers
- > Three color options allow for color coding of halyards, sheets, and other running rigging

9, 68, 69, 71, 72, 77A, 78A	Port Operations. Commercial (intership and ship to coast) working channel. Supplies, repairs, berthing, yacht harbors, marinas. These are the channels used by race committees.
26, 84, 87 27, 28, 86 25, 26, 27, 28 28	Marine Radio-Telephone Operators San Francisco Sacramento, Stockton, Delta North: Bodega Bay to Fort Bragg and 50 miles out South: Santa Cruz to Point Sur and 50 miles out
12, 20, 65A, 66A, 73, 74	Coast Guard Port Operations. Traffic advisory for use by agencies directing movements of vessels in or near ports. Offshore Vessel Movement Reporting System.
WX 1-2-3	Weather (receive only).

Of all the safety equipment on your boat, your VHF radio is probably the most effective and essential. Because VHF uses common frequencies, it's important to remember a few rules of marine radio etiquette:

- Radio checks, which should be performed at least every time you leave your slip, should always be conducted on channel 9, never on channel 16.
- Before hailing another station on channel 16, listen for at least one minute before keying your mic, so as not to “step” on radio traffic that’s already underway.
- Speak slowly and pause for at least a minute between hailing attempts.
- Always start on the “low” power setting.
- Don’t use the radio if you have non-emergency traffic that can be accomplished with a mobile phone.
