## THE YRA WELCOMES YOU TO THE 2014 RACING SEASON

Welcome to the YRA's 2014 Racing Season! As always, we've got racing opportunities for everyone, whether you sail a multihull, classic woody or one design boat, sail on the ocean or under PHRF in the Bay.

For 2014, the YRA Racing Season offers four different racing options:

- Party Circuit: includes our three marquee weekend regattas as well as the Westpoint Regatta.
- YRA Series: a four-day series with one race day each month starting in May and running through September.
- OYRA: nine fully crewed ocean races this year, and a division for shorthanded crews.
- Wooden Boat Series: a full schedule of in-the-Bay racing for Bears, Birds, IODs, Folk-boats and Knarrs.

You can find information on the different racing series in this publication and on the YRA website at [www.yra.org](http://www.yra.org).

The Racer Socials that we started in 2013 will continue. We're planning on at least three this year with potential topics ranging from a USCG view of the Bay (and racers) to Bay Currents to Rigging. If you have a topic you think we should cover, please let us know.

We encourage everyone to get a YRA membership and sign up to race. Your membership support and participation in the YRA goes to help us do everything we do. And we do a lot:

- Administer the local PHRF database; more than 700 certificates were issued in 2013.
- Coordinate with the U.S. Coast Guard to process event permits – more than 900 permits in 2013.
- Maintain racing buoys in the Bay.
- Host the US Sailing Area G Appeals Committee.
- Advocate for sailing and racing in the Bay Area.
- Offer great racing.

As always, we want to thank the YRA Member Yacht Clubs and their Race Committees that are sponsoring this year's YRA Races. We

couldn't do it without you and your support. We know each YRA skipper and crew thanks you as well.

Be sure to follow us on Twitter and Facebook to keep up with all the latest YRA news. You can find us on Twitter at YRAofSFBay and on Facebook at the YRA of SF Bay page.

Get those entries in, get your boats and crews prepped, and get out to the start line for every race you're scheduled to sail.

Fair winds to all,

# SIGN UP FOR THE 2014 RACING SEASON

Entry Form  
next page!

## Welcome to YRA Racing, the BEST racing value on the bay!

*Thank you for participating in the YRA! We offer a choice for racing both on the Bay and on the local ocean!*

### SERIES INFORMATION

#### **The YRA Party Circuit**

- Includes the 3 marquee YRA Weekend Regattas plus the new Westpoint Regatta. Weekend regattas are The Great Vallejo Race, the YRA 2<sup>nd</sup> Half Opener, and the YRA Season Closer. The three weekend regattas features 2 days of racing and a party at the host club Saturday night.
- All 5 races are longer, destination style races.
- There are 6 Divisions available for each Regatta: PHRF, Sportboat, One-Design, Double/Singlehanded, Non-Spinnaker & Multihull. Divisions may be split into multiple fleets to ensure competitive racing.

#### **The PHRF, Sport Boat & One-Design Series**

- In the Bay racing for boats with a current NCPHRF rating certificate, Portsmouth Rating or for One-Design classes.
- The series is broken in two separate series, each with 3 race days. Multiple races will be held on each race day.
- PHRF Divisions are determined by grouping similarly rated boats.
- Series Racers are invited to race in the OYRA Crewed Lightship ocean race for an additional \$10.00. Additional OYRA equipment requirements must be met. See [http://www.yra.org/OYRA/ocean\\_safety.html](http://www.yra.org/OYRA/ocean_safety.html).
- One-Design starts are available for any fleet that signs up for the Spring or Summer series, or, gets at least 5 boats to sign up for a single race day. If you are not sure if your One-Design fleet is eligible, or would like to sign your fleet up for the series, please contact the YRA office at (415) 771-9500 or [info@yra.org](mailto:info@yra.org).

#### **OYRA (Offshore Yacht Racing Association)**

- In 2014, there are 9 ocean races ranging from 25 to 60+ nautical miles.
- OYRA racers are invited to race in the Great Vallejo Race for only an additional \$10.00!
- Racers will be divided into divisions determined by the OYRA board. Racers can also choose to race in the Short Handed division:

#### **WBRA (Wooden Boat Racing Association)**

- The WBRA participates in the US Sailing Golden Anchor program which makes WBRA racers eligible for a discounted US Sailing Membership. US Sailing memberships through the WBRA Golden Anchor program must be purchased online here: <http://www1.ussailing.org/membership/MPP/Default.aspx?ycid=112274N>
- Bay racing for one of the following 5 fleets:
  - Bird Boats
  - Bear Boats
  - Folkboats
  - IODs
  - Knarrs

### GENERAL INFORMATION

- **YRA Sailing Instructions are available on the YRA website at [www.yra.org](http://www.yra.org).** Sailing instructions are normally posted approximately 1 week prior to each race. If you do not have access to the internet and need to have your race instructions mailed to you, please contact the YRA office at (415) 771-9500 or [info@yra.org](mailto:info@yra.org)
- Entries for a series, or individual regatta, must be received by 5 pm the Monday before the race or a \$35 late fee will be applied. No entries will be accepted after 5 pm the Thursday before a race.
- **A YRA sailing membership and a membership in a YRA member yacht club is required to register a boat for any YRA series.** A YRA membership is required to race in any individual YRA Race, but one time racers do not need to belong to a member club.
- The YRA Offers a discount on all race fees to US Sailing Members. YRA Racers are eligible for a discount on US Sailing Memberships through the Golden Anchor Program. US Sailing Memberships can be purchased online at <http://www1.ussailing.org/membership/MPP/Default.aspx?ycid=101132Z>.
- Sailors entering the OYRA Season, or any individual OYRA Race, must submit complete an online crew & boat registration form through jibeset.net before each ocean Race. See [http://www.yra.org/OYRA/ocean\\_safety.html](http://www.yra.org/OYRA/ocean_safety.html) for more information. **Please note that to race in an OYRA Race there are rigorous additional safety requirements in effect, including the requirement for a 406 EPIRB or 406 PLB.**
- Please fill out your entry form completely, sign, date and return it to the YRA office along with your payment. If you need additional assistance completing this form, please contact the YRA office.
- You can save time and postage by signing up online! Visit [www.yra.org](http://www.yra.org) for more information!

The NCPHRF rating certificate is a contract between you, the NCPHRF Committee, and your competitors. You and your competitors expect this form to be accurate and that the reported characteristics will be maintained while racing. Failure to advise the NCPHRF Committee in writing of ANY modification to your boat which will alter its sailing performance may be grounds for protest and disqualification of the yacht. Your rating is valid through December 31 of the year issued. I certify that the above information is accurate and correct, that I have read the NORTHERN CALIFORNIA PHRF RULES AND GUIDELINES, and concur with, and agree to sail by those terms and conditions.

# STRATISICE

Already at the leading edge of global innovation, Stratis has just taken another leap forward with the release of its revolutionary new ICE fibre. Now you can have the strong, lightweight, long-wearing dynamics of gel-spun fibre with zero crimp and low creep. Which means you can perform stronger for longer whatever the conditions whether you're racing or cruising.

Stratis ICE, sail making genius.

## AIR AND SEA WILL NEVER KNOW.

All you sceptics who believe you can't get real fouling protection without heavy loads of copper and solvent, meet the mind changer. Hydrocoat ECO. Water-based Hydrocoat ECO is a new clean world of solvent-free antifouling. It contains the breakthrough additive Econeal that reduces copper by 100% yet delivers 100% of the copper effectiveness. It's all about maximum protection with minimum impact. It's a clean new day.

## MXL SNATCH RINGS

### Optimal Weight To Working Load Ratio

MXL soft blocks are ideal for applications where lines are under heavy semi-static loads. Featuring higher working loads than standard blocks of the same size, the MXL improves onboard performance. Used as a snatch block, it can be easily installed and removed in a few seconds. It is also a great product to keep as a spare for any emergency situation.

Model	Max Line Ø	Height	Weight oz	WL lbs
MXL6	8mm - 5/16"	35mm - 1 3/8"	.70	1,985

## FRX RINGS

### Reliability, Light Weight And Versatility

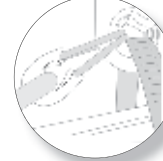

FRX Rings are ideal for applications where lines are under heavy semi-static loads, or to defect lines throughout the boat. Rigged with a soft attachment, the FRX ensures light weight and effective angle deflection for multiple applications onboard.

Model	Ø A	Ø B	WL lbs	Weight oz

## NEW SAFETY REQUIREMENTS FOR U.S. SAILBOAT RACERS

As sailboat racers, we've traditionally been held to a higher standard than other recreational boaters when it comes to required safety equipment and boat construction standards. This is generally due to the conditions in which we race and the distances sailed far away from rescue services. The world standard for race boat equipment is the Offshore Special Regulations (OSRs) published by the International Sailing Federation, which describes the gear that we're required to carry in races varying from day races around the buoys to circumnavigations in seven categories of severity. These requirements (and recommendations) used to be published in a thin, pocket-size volume that was a simple list of essential gear: the 1996 version consisted of about 16 pages covering four categories of racing.

However, time has a way of making functional, simple documents into exceedingly comprehensive, complicated, and frequently less useful documents (as evidenced by tax laws, financial regulations, and pre-nuptial agreements). Thus, the OSRs expanded into a 200-page book which included seven categories, multihull requirements, many helpful recommendations, over a dozen appendices, and references to ISO standards which confounded many yacht owners, inspectors, and protest committees.

One of the consequences of having a complicated set of rules is that compliance suffers. This was the case among the Bay Area organizing authorities for races in the Gulf of the Farallones: None of them used the OSRs for Category 2 races, and many used widely varying equipment requirements for what were essentially similar races. This all changed with the loss of the Sydney 38 *Low Speed Chase* in the OYRA Full Crew Farallones Race in 2012. In the aftermath of this tragedy, the Northern California Ocean Racing Council (NCORC) was created. The NCORC safety equipment working group attacked the issue of widely varying equipment requirements with the goal of creating a compact list of proven gear and yacht design criteria, specifically for races in the Gulf of the Farallones. After numerous meetings and public comment periods, the list of gear was made official for most of the races in 2013.

How do you decide how comprehensive to make requirements? The two ends of the regulation spectrum might be represented by "I love the freedom of sailing, so don't tell me what to do" and "Every life is precious; make sailing as safe as possible." It becomes a balancing act between the cost of compliance, the track record of each incremental item, the ability for inspectors to determine compliance, the desire for organizing authorities to accept the requirements, and so forth. An extensive list of detailed requirements is worthless without compliance except, perhaps, in a court of law.

The NCORC safety equipment working group came up with just under 50 items and construction standards for 2013 racing. Some of these items embraced newer technologies like VHF radios with Digital Selective Calling and inflatable life jackets with harnesses. However, most of the items were what we've raced with for 30 years: life-lines, cockpits that drain, bilge pumps, and Coast Guard required gear.

It's important to point out what's missing from the NCORC Minimum Offshore Requirements (MOR):

1. It contains only required items, not recommended items.
2. It avoids references to other documents like ISO standards, which can be pricey and are frequently difficult for non-professionals to understand.
3. It has no requirements for how to operate your vessel, including when to wear life jackets or harnesses, leaving these issues to the Notice of Race or Sailing Instructions.

With the NCORC MOR as the starting point, a US Sailing working group added two more categories: Ocean, for open ocean races, and Nearshore for races close to shore during daylight hours. The NCORC MOR became the Coastal requirements and completed what is now known as the US Sailing Safety Equipment Requirements or SERs.

With only three categories (Ocean, Coastal, and Nearshore), there will be many races that fall between the categories. The working group realized this, and encourages organizing authorities to pull items from adjacent categories for the conditions of their particular events. For example, a race from San Francisco to Santa Barbara might want to add a life raft requirement to the Coastal category.

Our goal has been to simplify and standardize racing equipment requirements, and, as a result, improve the safety of racing sailboats. We hope you agree. Your comments are always welcome at [hawley.chuck@gmail.com](mailto:hawley.chuck@gmail.com).

– *Chuck Hawley, Chairman, US Sailing Safety at Sea Safety Equipment Working Group*

The working group team members were Chuck Hawley, Jim Quanci, Michael Andrews, Max Crittenden, Andy Newell, and Jim Antrim.

OYRA entries are required to comply with the simplified and standardized Northern California Offshore Racing Council equipment requirements. For more information, see:

## MINIMUM EQUIPMENT LIST

The following equipment shall be required for all yachts racing in YRA events.

1. USCG-approved life jackets for each member of the crew. If the 'Y' flag is displayed, USCG-approved life jackets shall be worn while racing.
2. One horseshoe life ring or 18-inch diameter USCG-approved ring buoy.
3. USCG-approved (or equivalent) fire extinguisher as required by USCG rules, readily accessible.
4. One manually-operated bilge pump.
5. One suitable anchor and cable.
6. Fog horn.
7. Marine compass.
8. Suitable charts for piloting.

Racers entering an ocean race or an ocean series must comply with the specific OYRA Minimum Equipment Requirements, including the requirement for a 406 EPIRB or PLB. No later than the Thursday before EACH

*Note that 406 EPIRBs or PLBs are required equipment on OYRA races and many other ocean races!*

race sailors must complete the online Crew & Boat registration form through [www.jibeset.net](http://www.jibeset.net). Please refer to [www.yra.org/OYRA/ocean\\_safety.html](http://www.yra.org/OYRA/ocean_safety.html) for more information on ocean racing requirements.

Contestants are reminded that conditions on San Francisco Bay are quite unpredictable, and winds in excess of 30 knots are not uncommon. The US Sailing rules state: "It shall be the sole responsibility of each yacht to decide whether or not to start or continue the race."

We would further remind all sailors that, as provided in US Sailing rules: "Every yacht shall render all possible assistance to any vessel or person in peril, when in a position to do so." We will trust that all contestants will do everything in their power to make our sport of yacht racing as safe as it has been in the past.

Please see page 28 for information on recent developments in offshore safety requirements.

## WOMEN'S CIRCUIT

The events on this page constitute *Latitude 38's* unofficial Women's Circuit. We challenge women sailors to take the helm and create their own series of events from this list. You don't need to finish first to win, and you don't need to do all the races on the list either! Just send proof of your participation in as many events as you can to [chris@latitude38.com](mailto:chris@latitude38.com), or fax it to (415) 383-5816, by November 10, 2014, and you could be crowned *Latitude's* 'Queen of the Women's Circuit'.

Deb Fehr, the 2013 Queen of the Women's Circuit and a member of IYC, raced her *Santana 22 Meli'ki* in IYC's Sadie Hawkins Race in February, OYC's Rites of Spring in March, EYC's Gracie & George Regatta in August and IYC's Jack & Jill + 1 in November, after which her fellow sailors enthusiastically nominated her for the honor!

RESPECT THE ELEMENTS

And they said we couldn't improve it.

The OS2 has become a classic due to its incredible versatility and value. It wasn't easy finding ways to improve it, but increased collar height with full face protection, new hand warmer chest pockets and a state of the art retractable cuff system have taken it to the next level.

### *Overall Winner 2012 Singlehanded TransPac*

Jim Quanci, after placing 1st Overall in the 2012 Singlehanded TransPac in his Cal 40 *Green Buffalo* says:

"13 days from San Francisco to Hawaii alone, 10 of those days flying the spinnaker in winds up to 32 knots without a round up or a wrap. My Alpha Spectra autopilot drove the whole way – and then drove the boat another 16 days taking us home. What more can one ask for? I just love my Alpha Spectra autopilot."

## RULES

### Latitude 38's Basic Racing Guidelines

Since sailboat racing is a recreational sport, we think the number one rule should be to have fun. Beyond that, some basic guidelines help prevent collisions and ensure that racing is both fun and fair. Below is an outline of the ten basic rules which cover most racing situations. For completeness and total accuracy, refer to *Racing Rules of Sailing 2013-2016*, published by US Sailing. See [www.ussailing.org/rules](http://www.ussailing.org/rules) for details.

1. **Port tack keep clear** of starboard tack.

2. If boats are on the *same tack*, and overlapped, **the windward boat must keep clear** of the boat to leeward.
3. If boats are on the *same tack*, **a boat clear astern must keep clear** of a boat *clear ahead*.
4. **When tacking or jibing, keep clear** of boats on a tack.
5. **Avoid collisions.** If you have the right of way and hit the other boat, causing damage or injury, you both will be penalized.
6. **Don't obstruct.** Don't make it hard for the 'keep clear' boat to do so. (No hunting allowed.)
7. **Sail the course** prescribed. You have to round the marks in the directions specified in the Sailing Instructions and can't touch a mark.
8. **Proper Course** (same tack, within two hull lengths). If the leeward boat came from astern, leeward boat shall not sail above its own proper course during the overlap. (Remember that the windward boat still has to keep clear, even if windward is forced above what it believes is windward's proper course. Leeward still has right of way.)
9. **Give room at marks and obstructions** to yachts overlapped on the inside, except:
  - a. When the overlap did not exist before the lead boat reaches the **three-boatlength zone**.
  - b. When approaching a windward mark on opposite tack.
  - c. At a starting mark surrounded by navigable water. That is, you don't have to let a barger in at the start except to avoid collision (then protest).
10. **Acknowledge your fouls and protest those who don't.**

A free rule book comes with US Sailing membership. See [www.ussailing.org](http://www.ussailing.org).

## 2014 YRA PARTY CIRCUIT

### Three great regattas plus a bonus race!

Welcome to the eighth year of the YRA PC Series! This great series gives you three weekend regattas plus an additional race day in July. The PC Series consists of the three marquee YRA events – the Great Vallejo Race, sponsored by Vallejo Yacht Club; the 2nd Half Opener, sponsored by Encinal Yacht Club; and the Season Closer, sponsored by Corinthian Yacht Club.

WWW.NORCALSAILING.COM

Each weekend regatta features a long distance race on Saturday, a party at the hosting club Saturday night and a shorter race on Sunday. The new Westpoint Regatta, hosted by Sequoia Yacht Club, is a one-race day.

There will be six main divisions for each regatta: PHRF, Sportboat, One Design, Multihull, Shorthanded and Non-Spinnaker. We'll then divide up each division into as many fleets as needed to create good racing.

The three weekend regattas plus the new Westpoint Regatta only cost \$180 when you sign up for the entire series. We think the PC Series is the best racing value on the Bay! If you were to sign up for each race individually, it would cost you almost \$300.

The dates for the 2014 YRA Party Circuit are:

- May 3 – The Great Vallejo Race 1, party Saturday night at Vallejo Yacht Club
- May 4 – The Great Vallejo Race 2
- July 5 – The Westpoint Regatta
- August 2 – The YRA 2nd Half Opener, party Saturday night at Encinal Yacht Club
- August 3 – The YRA 2nd Half Opener
- September 27 – The YRA Season Closer, party Saturday night at Corinthian Yacht Club
- September 28 – The YRA Season Closer

Sign up online at [www.yra.org](http://www.yra.org) or call the YRA office for more information at (415) 771-9500.

### **1. RULES**

1.1. The PC Series of regattas will be governed by the Racing Rules of Sailing, 2013-2016 (RRS).

### **2. ELIGIBILITY**

2.1. All yachts that meet PHRF minimum requirements and/or one-design class requirements are invited to compete in the YRA PC Series of regattas to be held on San Francisco Bay.

2.2. All competitors must:

2.2.1. Hold a 2014 PHRF Certificate from the NCPHRF Committee.

2.2.2. Be members of YRA.

2.2.3. Be a member of a Yacht Club (YC) belonging to the YRA.

### **3. REGISTRATION**

3.1. Eligible boats may enter electronically on the YRA website or request that entry forms be sent from the YRA office. Entry forms are also available for download on the YRA website and are printed in *Latitude 38's 2014 Northern California Sailing Calendar and YRA Master Schedule*.

### **4. FEES**

4.1. Competitors may enter the entire series as a discounted package or may enter any of the four regattas individually.

4.2. Entry fees and deadlines are outlined on the YRA entry form described in Paragraph 3.1.

### **5. MANAGEMENT**

5.1. Each regatta shall be under the management of the race committee of the sponsoring yacht club for that regatta. The yacht club and Race Committee Chairman for each race is listed in the Sailing Instructions for that race.

5.2. The YRA Board of Directors contact information is listed on the YRA website.

### **6. SCHEDULE AND RACING AREAS**

6.1. Dates, venues, and sponsoring yacht clubs are as follows:

Date	Race – Racing Area	Sponsoring Club
5/3 – 5/4	YRA Season Opener/The Great Vallejo Race	Vallejo YC
7/5	The Westpoint Regatta	Sequoia YC
8/2 – 8/3	YRA 2 <sup>nd</sup> Half Opener	Encinal YC
9/27 – 9/28	YRA Season Closer	Corinthian YC

6.2. Only one race is scheduled for each race day.

### **7. ENTERTAINMENT**

7.1. There will be a party, hosted by the sponsoring yacht club, on the Saturday night of each event. Food and drink tickets may need to be purchased for each participant and will be available at the event.

7.2. All participants are encouraged to overnight at the sponsoring club for each event. Docking, anchoring and/or rafting space will be available.

### **8. SAILING INSTRUCTIONS**

8.1. Sailing Instructions will be posted on the YRA website approximately two weeks prior to each regatta.

*continued on page 56*

- 8.2. Notices to competitors and changes to the Sailing Instructions will be posted on the YRA website.
- 8.3. Entrants may request that Sailing Instructions be sent by U.S. Mail. This request may accompany their entry or thereafter, but must be in writing and include name, boat name, sail number, and address.

## 9. COURSES

- 9.1. Courses will be defined in the Sailing Instructions for each race day.
- 9.2. Saturday courses are considered "destination" courses, with distances 20+ miles long.
- 9.3. Sunday courses are shorter courses, generally 8 to 15 miles long, designed to get racers home by late afternoon.
- 9.4. PC courses use predominately permanent marks.

## 10. DIVISIONS

- 10.1. Divisions will be provided for the following types of boats:
  - 10.1.1. PHRF
  - 10.1.2. Sportboat
  - 10.1.3. One-Design
  - 10.1.4. Multihull
  - 10.1.5. Short-Handed
  - 10.1.6. Non-Spinnaker
- 10.2. The YRA may break down the divisions into fleets to ensure good racing.

## 11. SCORING

- 11.1. The Low Point Scoring System RRS A4.1 will be used to score finishing boats. RRS 4.2 is modified to state, penalty points will be added to the number of boats that came to the starting area plus one for OCS, DNF, DNS or RAF (prior to protest hearing), plus two for DNC, and plus three for DSQ. A DSQ for Safety Violation is considered as a (DNE) in addition to RRS 89.3(b). Ties will be broken in accordance with RRS A7 or A8 as appropriate. RRS A9 is deleted.
- 11.2. The Handicap fleets will be using the Time-on-Time (TOT) system of scoring.

## 12. COMMUNICATIONS

- 12.1. RRS 25 is changed to allow for on-the-water radio communication between the Race Committee and racing boats on the VHF channel specified in the Sailing Instructions for that day. The RC may hail OCS and may advise the fleet starting order by loud hailer and/or VHF radio.
- 12.2. Participating boats must notify the Race Committee if they are dropping out of the race or will be unable to finish the race within the stated time limit found in the Sailing Instructions.

## 13. MINIMUM EQUIPMENT LIST

- 13.1. Comply with the United States Coast Guard's equipment requirements for recreational vessels.
- 13.2. USCG-approved life jackets for each member of the crew.
- 13.3. One horseshoe life ring or USCG-approved ring buoy.
- 13.4. A USCG-approved fire extinguisher, readily accessible.
- 13.5. A manually operated bilge pump.
- 13.6. Suitable anchor and cable.
- 13.7. Fog horn.
- 13.8. Marine compass.
- 13.9. Suitable charts for piloting.

## 14. DISCLAIMER OF LIABILITY

- 14.1. Sailing is an activity that has an inherent risk of damage and injury. Competitors in a YRA event are participating entirely at their own risk. See RRS 4, Decision to Race. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event. By participating in this event, each competitor agrees to release the race organizers from any and all liability associated with such competitor's participation in this event to the fullest extent permitted by law.

# 2014 OYRA Ocean Racing Series

## NOTICE OF RACE

Organizing Authority: The YRA of San Francisco Bay  
1070 Marina Village Pkwy., Suite 202-G  
Alameda, CA 94501  
(415) 771-9500 ph, (415) 276-2378 fx  
info@yra.org email, www.yra.org website

### 1. RULES

- 1.1. These races will be governed by the Racing Rules of Sailing, 2013-2016 (RRS), the Prescriptions of US Sailing, this Notice of Race, and any Rules modified by the Sailing Instructions for OYRA races.
  - 1.1.1. Between the hours of sunset and sunrise, as recorded in any standard tide and current book for San Francisco Bay, the Steering and Sailing Rules from IRPCAS (International Rules for Prevention of Collisions at Sea, effective 1977) and UIR (the Unified Inland Rules, effective 1981) shall replace Part 2 of the RRS. Preamble to RRS Part 2 still applies. Competitors are advised that non-competing boats are not governed by RRS and that IRPCAS or UIR govern meetings with non-competing boats.
  - 1.1.2. All boats must meet the NorCalORC Minimum Offshore Requirements and all standards set forth by the OYRA. NorCalORC Minimum Offshore Requirements can be found here: <http://www.norcalorc.org/gear>.
  - 1.1.3. RRS 41(d) is modified to include the use of cell phones and other Internet devices to obtain weather and buoy information from NOAA and other publicly available sources.
  - 1.1.4. RRS 44.2 is not in effect. Penalties shall apply under RRS 44.3 using a penalty of 20% of the number of boats that came to the starting area, but not less than one, nor worse than DNF. This changes RRS 44.3(c).
  - 1.1.5. Boats in the SHS fleet may use autopilots and RRS 50.2 is modified to allow two jibs 'poled out' for downwind sailing.
  - 1.1.6. RRS 52 is modified to allow boats the use of powered winches, powered hydraulics, or powered furling devices as long as those boats have declared this information on their PHRF application. Only those boats that have declared this equipment and have been rated accordingly can sail in this configuration.
  - 1.1.7. RRS 77 is deleted and replaced with "All mainsails and head sails larger than 125% must carry sail numbers identifying the vessel. The number on the mainsail and all headsails must be the same as on the entry form. Spinnakers need not carry sail numbers."
  - 1.1.8. RRS 89.2 (a) is deleted and replaced with, "Sailing Instructions, Notice of Race, Minimum Equipment Requirements, Boat/Crew Information and Statement of Compliance Forms, Entry Forms and other related material may be downloaded from the YRA website."

### 2. ELIGIBILITY

- 2.1. All monohulls with a valid NCPHRF Certificate and multihulls with a valid BAMA Certificate, which are equipped for offshore sailing, are invited to compete in the OYRA Series of races to be held on the ocean waters surrounding San Francisco Bay.
  - 2.1.1. Monohull boats must have an enclosed cabin, a minimum overall length of 20 feet, and a minimum displacement of 2,000 lbs. empty. Multihull boats shall have weather-tight enclosed accommodations for the crew and shall have the ability to float in an inverted position indefinitely.
  - 2.1.2. All boats must meet the Minimum Equipment Requirements and all standards set forth by the OYRA. Minimum Equipment Requirements can be found on the YRA website.
- 2.2. All OYRA competitors must:
  - 2.2.1. Be members of YRA.
  - 2.2.2. Be members of a Yacht Club (YC) belonging to the YRA.

### 3. REGISTRATION

- 3.1. Eligible boats may enter for the season or individual races electronically through the YRA website or request that entry forms be sent from the YRA office. Entry Forms are also available for download on the YRA website and are printed in *Latitude 38's 2014 Northern California Sailing Calendar and YRA Master Schedule*.
- 3.2. Prior to each and every OYRA Race a competitor must log in to [www.jibeset.net](http://www.jibeset.net) and complete all required boat and crew information. This online form will include a statement that the vessel has complied with all requirements

of the NorCalORC Minimum Offshore Requirements. Failure to complete the online Boat/Crew registration will result in a boat being scored DNC.

**4. FEES**

4.1. Entry fees and deadlines are outlined on the YRA entry form described in Paragraph 3.1.

**5. DIVISIONS**

5.1. The Following four divisions shall make up the OYRA Fleet:

- 5.1.1. PHRO 1 – Boats with a D/W Ratio of less than 200 PHRF less than (PHRF TBD).
- 5.1.2. PHRO 2 – Boats with a D/W Ratio of less than 200 PHRF greater than (PHRF TBD) .
- 5.1.3. PHRO 3 – Boats with a D/W Ratio of 200 or more.
- 5.1.4. SHS – Short Handed Sailing, open to any boat single- or doublehanding. Must be specifically requested at time of entry.

**6. MANAGEMENT**

- 6.1. Each race shall be under the management of the race committee of the sponsoring yacht club. The yacht club and Race Committee Chairman for each race is listed in the Sailing Instructions for that race.
- 6.2. The OYRA board contact information is listed on the YRA website.

**7. SCHEDULE AND RACING AREAS**

7.1. Dates, venues, and sponsoring yacht clubs are as follows:

<b>Date</b>	<b>Race – Racing Area</b>	<b>Sponsoring Club</b>
4/19	OYRA 1 – Full Crew Lightship	St. Francis YC
5/10	OYRA 2 – Duxbury Lightship	South Beach YC
6/7	OYRA 3 – Jr. Waterhouse	Richmond YC
6/28	OYRA 4 – Half Moon Bay	Half Moon Bay YC
7/19	OYRA 5 – Full Crew Farallones	San Francisco YC
8/16	OYRA 6 – Drake’s Bay 1	Corinthian YC
8/17	OYRA 7 – Drake’s Bay 2	Corinthian YC
9/20	OYRA 8 – Course TBD	South Beach YC
10/4	OYRA 9 – Course TBD	Berkeley YC

7.2. The series shall consist of the nine ocean races described above. The number of races allows a boat to experience diverse weather conditions, night sailing, overnight anchoring, and close encounters with marine life.

7.3. A boat’s worst score shall be excluded from the full series.

7.4. To qualify for awards a boat must start 50% of the series races.

**8. SAILING INSTRUCTIONS**

- 8.1. Sailing Instructions will be posted on the YRA website approximately 1-2 weeks before the race.
- 8.2. Notices to competitors and changes to the Sailing Instructions will be posted on the YRA website.

**9. COURSES**

- 9.1. Courses will be defined in the Sailing Instructions for each race day.
- 9.2. Courses range from 21 to 58 NM.

**10. SCORING**

10.1. The Low Point Scoring System RRS A4.1 will be used to score finishing boats.

10.2. RRS 4.2 is modified as follows:

- 10.2.1.1. DNF, OCS, RET (prior to protest hearing): # of finishers + 1
- 10.2.1.2. DNS: # of boats that came to the starting area + 1
- 10.2.1.3. DNC: # of boats that came to the starting area + 2
- 10.2.1.4. DSQ: # of boats that came to the starting area + 3

- 10.3. A DSQ for Safety violation is considered as a (DNE) in addition to RRS 89.3(b). Ties will be broken in accordance with RRS A7 or A8 as appropriate. RRS A9 is deleted.
- 10.4. The Time-on-Time (TOT) system of scoring shall be used.

#### 11. AWARDS AND CHAMPIONSHIPS

- 11.1. Daily trophies will be awarded for each individual OYRA race.
- 11.2. A Series Championship will be awarded for each OYRA division.

#### 12. COMMUNICATIONS

- 12.1. RRS 25 is changed to allow for on-the-water radio communication between the Race Committee and racing boats on the VHF channels specified in the Sailing Instructions for that day. The RC may hail OCS and may advise the fleet starting order by loud hailer and/or VHF radio.
- 12.2. Competitors shall monitor VHF channel 16 while racing.
- 12.3. Competitors are advised to monitor Vessel Traffic Service on VHF channel 14 (inside the Bay) and 12 (on the ocean), and are encouraged to hail commercial vessels on channel 13 to ascertain their intentions. Information thus obtained about commercial traffic movements shall not be construed as outside assistance under RRS 41.
- 12.4. Participating boats must notify the race committee if they are dropping out of the race or will be unable to finish the race within the stated time limit found in the Sailing Instructions.

#### 13. DISCLAIMER OF LIABILITY

- 13.1. Sailing is an activity that has an inherent risk of damage and injury. Competitors in a YRA event are participating entirely at their own risk. See RRS 4, Decision to Race. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event. By participating in this event, each competitor agrees to release the race organizers from any and all liability associated with such competitor's participation in this event to the fullest extent permitted by law.

## 2014 RACING SEASON

### NOTICE OF RACE

Organizing Authority: The YRA of San Francisco Bay

#### 1.0 RULES

- 1.1 Races will be governed by the *rules* as defined in *The Racing Rules of Sailing for 2013-2016*. **The Sailing Instructions replace the YRA Standing Sailing Instructions.**
- 1.2 RRS 40 is changed as follows: All competitors are required to wear life jacket or other adequate personal flotation device while racing.

#### 2.0 ELIGIBILITY AND ENTRY

- 2.1 Members in good standing of the following classes are invited to participate: BIRD, FOLK-BOAT, IOD, KNARR and BEAR.
- 2.2 Eligible boats may request that entry forms be sent from the YRA office. They are also available on the YRA website, and in *Latitude 38's 2014 Northern California Sailing Calendar and YRA Master Schedule*.
- 2.3 In order to avoid a late fee, entry forms and fee must be **received at the YRA office by 5:00 p.m., Monday, April 21, 2014**, to enter the full season; and thereafter by 5:00 p.m. the Monday preceding any race, to enter the remainder of the season.
- 2.4 If an entry form and fee is received after 5:00 p.m. on the Monday preceding the full season, or after 5:00 p.m. on the Monday preceding any race for the purpose of entering the remainder of the season, such entry form and fee must be received by 5:00 p.m. the following Wednesday and include an additional late fee of \$35.
- 2.5 The normal WBRA entry fee is \$200, which includes a required YRA membership. WBRA Members are also eligible for a discounted US Sailing Membership through the Member Partner Program. Member Partner US Sailing Memberships must be purchased online. A link to the customized WBRA US Sailing Membership page can be found on the YRA website and in the confirmation email you will receive from the YRA after completing your entry into the WBRA. An entrant who has previously paid YRA membership dues for the current year is eligible for a \$50 adjustment.

#### 3.0 MANAGEMENT

- 3.1 Each race shall be under the management of a race committee of the sponsoring yacht club.
- 3.2 Sponsoring yacht clubs, Class Officers, and WBRA Officers are listed in Appendix A.

#### 4.0 SCHEDULE AND RACING AREAS

- 4.1 Dates, first warning signal, and venues are as follows:

4/26 1055 Berkeley Circle  
5/10 1055 Berkeley Circle  
6/21 1055 Berkeley Circle  
8/9 1055 Knox  
8/30 1055 Cityfront  
9/6 1055 Cityfront  
9/20 1055 Knox

## **5.0 MINIMUM EQUIPMENT LIST**

5.1 Boats must comply with the United States Coast Guard's requirements for recreational vessels, and minimum additional equipment as follows: (1) USCG-approved life jackets for each member of the crew; (2) one horseshoe life ring or USCG-approved ring buoy; (3) a USCG-approved (or equivalent) fire extinguisher, readily accessible; (4) a manually-operated bilge pump; (5) suitable anchor and cable; (6) fog horn; (7) marine compass; and (8) suitable charts for piloting.

## **6.0 SCORING**

6.1 The Low Point Scoring System RRS A4.1 will be used to score finishing boats.

6.2 RRS A9 will apply. RRS A4.2 is deleted.

6.3 For the purposes of qualifying the fleet for the season, a race that is abandoned shall be listed as a valid race for any boat that came to the starting area.

## **7.0 SAILING INSTRUCTIONS**

7.1 Sailing Instructions, notices to competitors, and changes to the Sailing Instructions will be posted on the YRA website, [www.yra.org](http://www.yra.org), to be downloaded by the entrant.

7.2 Entrants may request that Sailing Instructions, notices to competitors, and changes to the Sailing Instructions be sent by U.S. Mail. This request may accompany their entry or thereafter, but must be in writing and include name, boat name, sail number, and address.

## **8.0 COMMUNICATIONS**

8.1 RRS 25 is changed to allow for on-the-water radio communication between the Race Committee and racing boats on the VHF channel specified for that day in the WBRA Sailing Instructions. In addition to the normally displayed signal for boats OCS, the RC may hail OCS boats by loud hailer or VHF radio. Additionally, for the second race, the RC may advise the fleet starting order by loud hailer and/or VHF radio.

## **9.0 DISCLAIMER OF LIABILITY**

9.1 Sailing is an activity that has an inherent risk of damage and injury. Competitors in a YRA event are participating entirely at their own risk. See RRS 4, Decision to Race. The race organizers (organizing authority, race committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event. By participating in this event, each competitor agrees to release the race organizers from any and all liability associated with such competitor's participation in this event to the fullest extent permitted by law.

## WINDEX INNOVATION

### WINDEX 15

with Bird-Proof  
Spike!

Why Windex 15 is  
the choice for  
most sailors:

- 15" wind vane (38 cm)
- Sapphire suspension bearing
- Adjustable tacking arms with tabs
- Vane and tabs feature reflectors for high visibility day and night.
- Weighs just 3.9 ounces (111 grams)
- Stands 12.75" tall (32 cm)
- Bird-proof spike extends another 10" (24 cm) above vane to discourage birds from landing.

The versatile J-Base can be purchased for Windex 15 to allow top or side mounting.

## YOUTH SAILING

Looking for a new way to entertain your kids this year? Look no further than the Bay Area's dozens of junior sailing programs. Many offer scholarships, and, with rare exception, you don't need to have your own boat. Unless noted below, club membership is not necessary. High School sailing for students in grades 9-12 takes place around Northern California in the Pacific Coast Interscholastic Sailing Association. If your high school doesn't have a team – or enough students to field a team – don't fret. Most programs allow students from several schools to form a single team.

# Delta Ditch Run

## May 31, 2014

The Delta Ditch Run starts in the San Francisco Bay and goes up the Delta, finishing at Stockton Sailing Club. In the past, the Delta Ditch Run has attracted over 200 boats with racers from across the country showing up for this generally downwind 65-mile race.

[www.stocktonsc.org](http://www.stocktonsc.org)

## 2014 RACE SCHEDULE

*SYC offers excellent racing off the scenic Marin Headlands adjacent to the iconic Golden Gate Bridge. The warm club atmosphere provides a great location for after race bragging or complaining. The bar and galley are open after all the races.*

- Midwinters Series: Five races on the first Sunday of the month – January 5, February 2, March 2, November 2, December 7.
- Jaws (NEW) – March 22: A single pursuit race with the start and finish near Sausalito Yacht Club, recalling a club tradition of starts and finishes off the club deck, with the new "Jaws" trophy. A "Predicted Log" race for power boats will be running concurrently with this race for sailboats.
- Twin Island Series: Three races around Alcatraz and Angel Island on April 26, July 19 and October 18. (You choose your direction around the islands...)
- Sunset Series: Ten spring and summer races on alternate Tuesday nights to set aside work pressures for mid-week competition. The Spring Series starts April 29 and the Summer Series starts July 22 and runs through September. The Sunset Championship Race is October 11.
- Women Skippers Race: A race on May 17 with a woman as skipper. "No man may touch the wheel!"
- Rear Commodore's Race: A 20-mile race/cruise to Vallejo Yacht Club on June 28. This is usually a great downwind race with an excellent party and dinner afterward.

# SAN FRANCISCO BAY

These current charts show direction and speed of the tidal current for each hour of current at the San Francisco Bay entrance. The charts depict the flow of tidal currents under normal weather conditions. Strong winds and freshets, however, bring about non-tidal currents which may modify considerably the speeds and directions shown in the charts.

## USE OF CHARTS

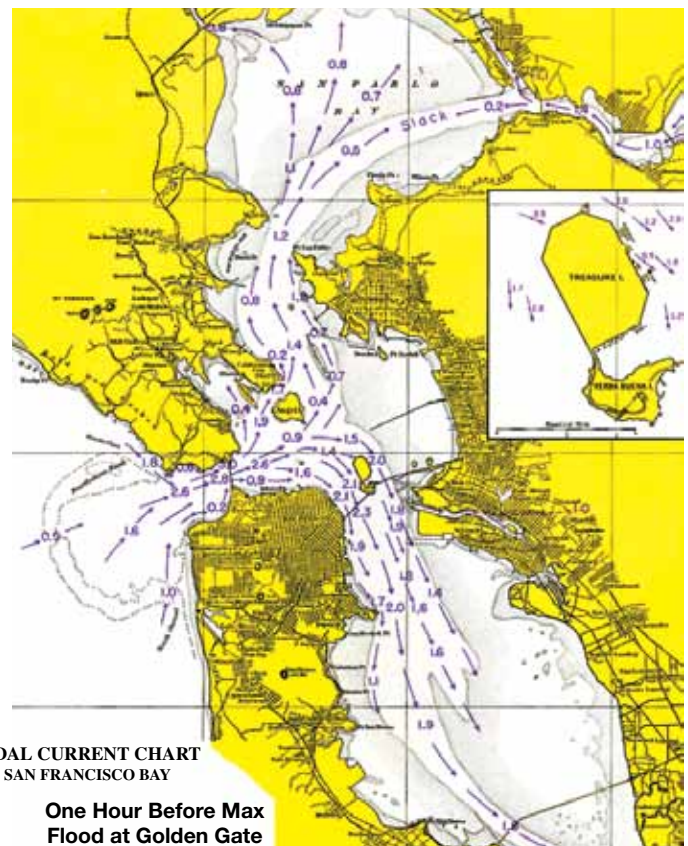

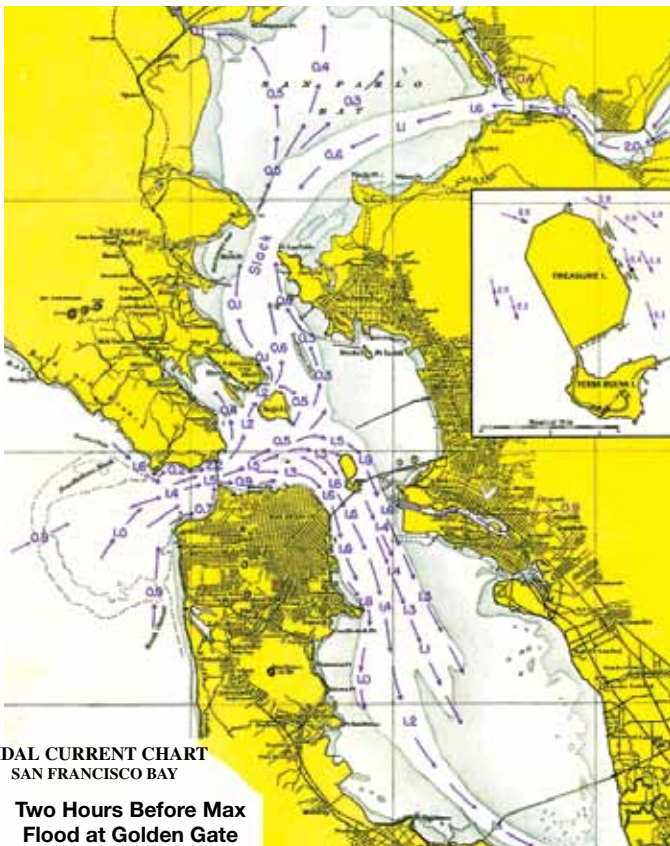

The chart to be used for any specific time is determined by obtaining the difference between the desired time and the time of the nearest Maximum Flood or Maximum Ebb for the Golden Gate. The chart with the title that agrees most nearly with this difference is the one to be used.

The numbers before or after the arrows indicate the 'tropic speed' of the current in knots. To determine the actual speed of the current for a particular day and hour, this tropic speed is multiplied by the factor given in the table to the right, 'Factors for Correcting Speeds'. To find the correct 'predicted speed' as listed in the table, see 'Weekend Currents' on pages 96-97.

*The charts on this page and those that follow are from the National Ocean Service, National Oceanic and Atmospheric Administration of the U.S. Department of Commerce.*

WX 1-2-3	Weather (receive only).

Of all the safety equipment on your boat, your VHF radio is probably the most effective and essential. Because VHF uses common frequencies, it's important to remember a few rules of marine radio etiquette:

- Radio checks, which should be performed at least every time you leave your slip, should always be conducted on channel 9, never on channel 16.
- Before hailing another station on channel 16, listen for at least one minute before keying your mic, so as not to “step” on radio traffic that’s already underway.
- Speak slowly and pause for at least a minute between hailing attempts.
- Always start on the “low” power setting.
- Don’t use the radio if you have non-emergency traffic that can be accomplished with a mobile phone.
