The All New
Catalina 425

5 SERIES

The Catalina 425 may be just the right boat for you. The style is bold and contemporary, incorporating a large, comfortable cockpit and excellent ergonomics that are Catalina hallmarks.

This is a performance-oriented design with a solid lead keel and a hull form with long waterline and generous – but not exaggerated beam for stability and predictable, responsive handling.

The three-cabin interior is carefully detailed with lots of drawers and solid teak fiddles and trim, complemented with maple hull panels, creating a bright, yet warm and inviting, traditionally crafted atmosphere.

All of the famous *5 Series* features are incorporated, including all L.E.D. lighting, 28" lifelines, and excellent access to all machinery and systems.

At Catalina, it's all about creating the best possible ownership experience. So if you're looking for a long-term relationship with a high-quality American brand, take a closer look at Catalina; the 425 may be just the right boat for your extended cruise.

Official Show Guide

A Four-Day Boating Extravaganza!

Welcome to the 2018 Pacific Sail & Power Boat Show in Richmond. The show is in its third year here at the Craneway Pavilion and Marina Bay Yacht Harbor, and we're excited to be back in a venue and in a city that has always extended such a warm welcome to us and to all of you.

KATIE KELLY

The footprint of our show is extensive with lots to see and do in every corner. In the Craneway, please visit our exhibitors, who are here to share their expertise with you on everything from anchors to hardware to the latest gear to sails and more. Take a few minutes to stop and talk with them — they would love to hear what you have to say and to share their wisdom and experience. The in-water portion of the show is a quick walk down the San Francisco Bay Trail to the Marina Bay Yacht Harbor. Along the way you'll find entertainment and activities for all ages. Once at the docks, you'll find the Marina Tent full of exhibitors and docks full of sailboats and powerboats. Slip off your shoes, step aboard the many boats on display and enjoy a visit and conversation with the exhibitors.

I hope you can plan to spend the entire day with us, as there is a lot to see and do. Not only do we have a great show full of terrific exhibitors, but we have food trucks and vendors to tempt your culinary tastes as well as a line-up of special events that will add enjoyment to each of your days.

A tremendous team has come together to produce the show again this year. Thank you to the exhibitors, sponsors, vendors and to you for supporting the show and the industry. Sailing and boating fosters a camaraderie that is contagious — isn't it always fun to spend the day talking to others who love something as much as you do?

Welcome to the show. I hope you enjoy your visit.

Warm regards,

Katie Kelly

COME SEE THE BLUE JACKET 40 AT THE 2018 PACIFIC SAIL AND POWER SHOW!

THE BLUE JACKET 40

The Blue Jacket 40 offers an enviable pedigree of two prolific North American designers along with the industry-leading building prowess of Island Packet Yachts. Delivering a unique combination of exhilarating performance, exceptional quality and luxurious accommodations, the Blue Jacket gives you race-winning capabilities as well as a perfect environment for family vacations and overnight getaways.

"This is the boat I have long dreamed of owning. I wanted a boat that is fast, responsive and fun to sail. I wanted a boat capable of long passages, has comfortable accommodations and is, above all, beautiful. This is that boat.

My homeport is Alameda, CA, so to reach San Francisco Bay, I transit the Oakland-Alameda Estuary, typically upwind. In most 40-footers, short tacking the Estuary is exhausting so motoring is the preferred option. On my Blue Jacket 40 with its Hoyt jib boom, tacking is as simple as turning the wheel...SO I SAIL.

I can carry full sail when most boats are reefed. In light wind, the powerful sail plan means I can also sail when most are motoring. The boat is dry, even in 25-knot winds blowing against an ebbing tide and the balanced rudder provides precise and effortless control...SO I SAIL. The boat is also quick to set up and quick to put away. "

John Tuma
Owner Blue Jacket 40
Hull #11

Suncoast Yachts along with Island Packet and Seaward Yachts are pleased to announce that California Yacht Sales will be taking ownership of Suncoast's brokerage operations and become the new California Dealer for Island Packet, Blue Jacket and Seaward Yachts.

On-the-Water Lifestyle

Welcome to the Discover Sailing & Boating Clinics at the Pacific Sail & Power Boat Show

Whether you are a novice or experienced on the water, there is something for everyone in the programs offered at the 2018 Pacific Sail & Power Show.

Take a cruise or a clinic with Discover Sailing. Whether you are a cruiser or a racer, thinking about the next boat or that next charter vacation, or looking to try out the latest boats on offer and learn about new technologies and styles, one of these programs will be right for you!

To help boaters get the most out of their vessels and

feel confident when considering their next boat, we are featuring several hands-on on-the-water clinics led by some of the best instructors in the Bay Area.

We have two terrific partners who will run courses for boaters interested in sailing courses and powerboating courses – Club Nautique and Passage Nautical, both based in the Bay Area. Courses offered may include topics such as: Catamaran Sailing Clinic, An Intro to Sailing a Boat Over 40-ft. Twin Engine Clinic – Maneuvering & Docking, and many more.

Full course descriptions, schedules and fees can all be found on the Show website at www.pacificboatshow.com.

Richmond welcomes the Pacific Sail & Power Boat Show in its third year at the Craneway Pavilion. The show, like Richmond, has expanded. We can't wait to show you what Richmond's got to make your show experience fun and easy! Three breweries, four wineries, international flavors, jazz, access to watersports and two marinas along the Bay Trail.

Pick up a trail guide at the show—it's packed with over 18 restaurants, 12 hotels, 18 things to do, and in case you didn't know, Richmond is VERY dog-friendly—our map shows you the hotels, restaurants and parks that will help make your visit easy and enjoyable!

The Richmond Trail Guide is brought to you by:

Advance Registration Seminars

Advance Registration and Fee Required

Surface Pressure Chart Workshop

LEE CHESNEAU: THURSDAY, APRIL 19, 1- 4 P.M.

This 3-hour workshop takes a closer look at the surface pressure charts generated by the NWS, NHC, and the NWSFO HNL. The workshop will be introduced first at 11:45 a.m. with a 1-hour free seminar, 'An Introduction to Surface Pressure Concepts and Charts,' (a prerequisite to the workshop).

Lee Chesneau

Lee Chesneau is a senior marine meteorologist, lecturer, and a graduate from the University of Wisconsin (Madison) with a degree in meteorology. His degree in Meteorology was Lee's ticket to a distinguished and extensive career with NOAA's National Weather Service (NWS), NOAA Satellite Service (NESDIS), U.S. Navy Ship Routing Office (SRO), a Route Analyst for a commercial weather and ship routing company (Ocean Routes, Inc.), and his career start as a naval officer serving on two aircraft carriers, USS *Saratoga* CV-60 and USS *Guam* LPH-9 (where he served as the ship's meteorological and oceanographic officer).

Today, in addition to being a highly seasoned and experienced professional marine meteorologist, Lee is an accomplished U.S. Coast Guard certified instructor for basic and advanced meteorology at six continuing training institutions for professional mariners. Lee owns Lee Chesneau's Marine Weather, with national sponsors, such as Cruising Outpost.

500MB Chart Workshop

LEE CHESNEAU: FRIDAY, APRIL 20, 11:45 A.M.- 3:15 P.M.

This 3-hour workshop goes deeper into different components of the upper-level 500MB chart discussed in the prerequisite free seminar at 10:30 a.m., 'An Introduction to the Upper-Air 500MB Concepts and Charts.' The workshop will further your understanding of this important tool for self-reliant marine weather forecasting, vessel routing offshore, and sailing on the high seas.

El Faro Tragedy Workshop

LEE CHESNEAU: SUNDAY, APRIL 22, 11:45 A.M.- 3:45 P.M.

This 4-hour workshop will discuss the basics of Tropical Cyclones (Hurricanes) & their impacts in the Eastern North Pacific Oceans (from Mexico's West Coast to Hawaii), the Gulf of Mexico, the North Atlantic Ocean, and sometimes even the Great Lakes.

Marine Diesel Engines: Maintenance and Troubleshooting

NIGEL CALDER: FRIDAY, APRIL 20, 9 A.M.-5 P.M.

The diesel engine is a critically important piece of safety equipment aboard any cruising boat, power or sail. Tech guru Nigel Calder, author of the best-selling *Marine Diesel Engines*

(now in its 3rd edition and used as a textbook in numerous diesel classes), brings his unique brand of humor to a seminar for boat owners, both power and sail, who want to get the most

Nigel Calder

Sign up in advance to guarantee a spot.
www.pacificboatshow.com

out of their time on the water. Distinguishing between contemporary and older diesels, Calder details often overlooked critical installation issues, and takes a careful look at fuel, oil, cooling, airflow, and powertrain systems, describing in detail all normal maintenance procedures together with basic troubleshooting techniques for common diesel engine problems, defining what the untrained boatowner can reasonably be expected to do and what should not be attempted. You will come away from this seminar with an enhanced understanding of your engine and the confidence to carry out routine maintenance, which alone will save you the price of admission. No previous experience is required.

Understanding and Troubleshooting Boat Electrical Systems

NIGEL CALDER: SUNDAY, APRIL 22, 9 A.M.- 5 P.M.

The number one source of problems on boats large enough to have an electrical system, both power and sail, lies in these electrical systems. Tech guru Nigel Calder, author of the best-selling *Boatowner's Mechanical and Electrical Manual* (now in its 4th edition, with over 300,000 copies sold), takes participants through the core design and installation requirements necessary to head off electrical systems problems, and then delves into step-by-step troubleshooting techniques, including using a multimeter, that will rapidly identify most problems should they arise. Not only will you leave class with a far better understanding of your electrical systems and knowing how to fix common problems, but you will also likely save the price of admission by not having to make service calls or swap out perfectly good parts in search of solutions. No previous experience is required.

Nigel Calder is best known for his *Boatowner's Mechanical and Electrical Manual* and *Marine Diesel Engines*, both considered definitive works.

Advance Registration Seminars

Offshore Cruising Seminar

JOHN & AMANDA NEAL OF MAHINA EXPEDITIONS WITH
TECH GURU NIGEL CALDER: SATURDAY, 8:30 A.M.- 5 P.M.

Self-sufficiency and preparation for your cruising adventures, whether to Mexico, the South Pacific or worldwide, is the focus of this intensive eight-hour seminar. Technical guru and author Nigel

Calder joins John and Amanda Neal for 18 dynamic topics illustrated with PowerPoint presentations and documented in the included 260-page *Offshore Cruising Companion*.

John & Amanda Swan Neal

In-depth topics include: Selecting and Outfitting a Boat for Offshore Cruising, Diesel Engine Overview, Storm Survival Tactics, Rigging & Sails, Communications, Anchoring, Piracy & Security, Managing Your Escape, Cost of Cruising and Best Worldwide Cruising Areas. This is the 167th Offshore Cruising Seminar John and Amanda have presented to 12,000 sailors since 1976. Visit www.mahina.com/seminar.html for the list of topics and schedule. John Neal's 364,000 ocean miles over 44 years include 28 years of conducting 190 worldwide sail-training expeditions aboard *Mahina Tiare*, a Hallberg-Rassy 46, detailed on www.mahina.com. He is author, co-author, or contributing author of 16 books. John and his wife Amanda annually spend six months at sea, sailing 10,000 miles. Their seminars incorporate the latest information, techniques and resources. Amanda Swan Neal's 324,000 ocean miles include completing the Whitbread Around the World Race as rigger aboard *Maiden*, two Sydney Hobart Races and seven Cape Horn roundings.

An advertisement for exploring the Sea of Cortez. The top half shows a blue sailboat and a white motorboat on turquoise water. Below this is a banner with the text "-EXPLORE-" and "The Sea of Cortez". The bottom half features three small images: a plate of food, a whale, and a beach. At the bottom, there are social media icons for Facebook and Twitter, the website www.golapaz.com, and logos for Mexico and La Paz.An advertisement for Marina Cortez La Paz. The top half features a white sailing ship logo and the text "MARINA CORTEZ LA PAZ". Below this is a collage of images showing a boat at a dock, a woman on a boat, and a marina at sunset. The bottom half contains the text "Mexico's Premier Marina" and "50 slips, accommodating even the largest vessels. Electricity at each slip and Wireless Internet Access. The most modern Marina Design in Mexico." followed by the website www.MarinaCortez.com and contact information: Email: dockmaster@marinacortez.com • Office: +52+612 123 4101 Fax: +52 612 125 4212 • From the USA: +52+1+612 157 0013

Free Seminars

Please visit www.pacificboatshow.com for the latest seminar schedule and speaker information.

John Arndt

John Arndt, publisher of *Latitude 38* and founder of Summer Sailstice, will entertain with stories and adventures

from more than 30 years of *Latitude 38* and a lifetime of sailing. Arndt grew up sailing in Maine and, since then, has taught sailing, raced and cruised oceans, enjoyed more than 30 years in the sailing industry working with *Latitude 38*, the Baja Ha-Ha, Sail America, SailSFBay and Summer Sailstice. John will also moderate a panel of current Bay Area liveboards.

Elbert Ashbaugh

Ashbaugh has designed sailing courses and taught sailing in the US, Europe, the Caribbean, and the

Far East for more than 20 years. He is the Affiliate (schools) Representative for American Sailing Association and consults in the development of the ASA's latest tools and methodologies.

Richard Beckett

Richard sailed twice to Mexico in 1988-89 and 2000-2004. He was an operator of the WA6OYC winlink station. He provided instruction to cruisers to get their amateur radio license since 1990.

Bruce Balan & Alene D. Rice

Aboard their Cross 46 trimaran *Migration*, Bruce and Alene recently completed a 12-year, 54,000-mile circuit of the Pacific. They will be heading back to French Polynesia in 2019.

Joanna Bloor

The first time Randall Reeves left his wife at home, he said he'd be gone for a year. He was gone two years. Seven years and multiple departures later, Joanna is still his biggest supporter. She's spoken at TED, Dreamforce, and other marquee conferences. Today she is turning the tables and speaking as his wife, the one left behind.

Rich Boren

Rich has been living aboard and cruising with his family for the last 10 years and is the owner of Cruise RO Water. Living in Mexico and dealing with cruisers in need of watermaker repair helps Rich keep up to date on the latest watermaker technology and challenges.

Bruce Brown

Bruce Brown is a noted presenter, sailor and author. He has written many articles for publications and

web blogs. Bruce has multiple trips to Mexico and across the Pacific both racing and cruising. He has cruised in California, Maryland, Turkey and Mexico. Bruce Brown is also a US Sailing Safety at Sea Course Moderator and a USCG 100-Ton Captain's License Instructor. He is one of the authors of the US Sailing Companion Guide to Safety at Sea Courses.

Captain Lisa Chapin

Captain Lisa has been a lifelong sailor safely navigating from sailing a Sunfish with her dad and the family dog to

cruising halfway around the world on four different sailboats as crew. For the past 10 years she has been using her captain's license to help keep sailing alive by helping busy people have a boatowner-like experience at SailTime San Francisco.

Jimmy Cornell

Jimmy Cornell has influenced the contemporary cruising scene more than any other sailor. An accomplished sailor, public speaker and author, he has sailed over 200,000 miles in all oceans of the world, from Antarctica to the Arctic – including three circumnavigations – and has written some of the best-selling nautical publications in the world, many of which have been translated into several languages. Thousands of sailors have fulfilled their dream of blue-

water cruising with the help of Jimmy Cornell's books, among them the international bestseller *World Cruising Routes*. With

200,000 copies sold to date, this is currently the best-selling nautical publication in the world.

Sarah & Will Curry

Will and Sarah Curry bought their first boat in Mexico in 2012. After Will showed Sarah the ropes, they

sailed into the sunset-West, across the incredible South Pacific. SV *Hydroquest* sold in Australia, but they knew they were addicted to the lifestyle... On to Boat #2. After outfitting their Jeanneau 43 in Vancouver, they set off cruising again in 2017 – albeit at a slower pace.

Fito Espinoza

A native of Tijuana, Espinoza has 22 years of experience as a marina manager in Ensenada's Marina Coral, a favorite destination for boaters making their first stop in Mexico. Making sure everybody has the correct paperwork to clear in to the country is an obligation he takes very seriously. Over the past four years Espinoza has collaborated with the Mexico Tourism Board to promote Mexico's nautical destinations.

Grand Opening

Charter Puerto Vallarta

- Fleet of brand new Jeanneau sail & power yachts
- Daily non-stop flights from major US airports
- Charter base located in Paradise Village Marina, just 20 minutes from PVR International Airport
- Sunshine, warm water, great sailing/cruising conditions on Banderas Bay & Mexican Riviera
- Full access to all resort facilities: supermarket, golf, hotel, spa, tennis, pool, restaurants, hospital & more
- Incredible Value! – cheap flights plus 19:1 exchange rate means you save big on your charter vacation

To book contact:
Club Nautique de Mexico
www.ClubNautique.mx 1-800-559-CLUB(2582)

These free seminars provide a wealth of information for novices and experts.

Janet Glenny

Janet Glenny is a registered nurse who currently works in an emergency department. She has 20 years of experience in emergency medicine and has trauma certification. Janet, with her family, owns *Kairos*, a 38-ft. Island Packet sloop, and has sailed to the Caribbean and South Pacific with *Kairos* currently in Palau, Micronesia.

Virginia & Robert Gleser

Virginia and Robert Gleser have just completed their 18th year of cruising their Islander Freeport 40, ketch, *Harmony*, from San Francisco to Mexico and beyond to Latin America and Ecuador. They have been married for 47 years, and have raised eight children. When their last child went off to college in 2000, they sold their business, headed out the Golden Gate, and turned left to cruise in warm climes.

Mike Gunning

Mike is a principle in Electric Yacht and owner of Electric Yachts of Southern California. Mike has 40 years of financial and computer sales plus eight years of converting over 250 boats in North America.

Wendy Hinman

Wendy Hinman, award winning author of *Tightwads on the Loose* and *Sea Trials*, shares the wisdom she gathered during her seven-year 34,000-mile voyage aboard her 31-ft cutter, as well as years racing in all manner of boats, with her husband and others.

Leigh Hunt

Leigh Hunt is the President and CEO of Modern Sailing School and Club in Sausalito, CA. Leigh has been destination sailing since 2005, with multiple trips to the Caribbean, the South Pacific and the Mediterranean. In 2012, Leigh completed a 750-mile delivery from Corfu to Cyprus, and in 2016 he returned to the Aegean on a destination charter with Modern Sailing. In 2017 he led a charter trip to Bora Bora, Tahaa and Huahine.

Captain Tanja Koster

Captain Tanja Koster recently completed 3/4 of a circumnavigation onboard a double-handed, 43-ft racer-cruiser.

Combining thirty-five years in education and professional mentoring, with a lifetime on the water, sailing and motor yachting, enables Tanja to individualize instruction and meet the goals and needs of each person onboard.

Free Seminars *continued*

Gregory Kutsen

Greg Kutsen is a founder and CEO of Mantus Marine, a well-known and rapidly growing marine accessories manufacturer. Although an emergency doctor by night he has dedicated last six years to designing and improving the ground tackle gear and is eager to share lessons learned.

Stan Lander

Stan Lander is the Head Instructor at Modern Sailing School and Club. After graduating from college, Stan entered the United States Coast Guard. During his 20-year career, he served on the Coast Guard Cutter *Morganthau* as a Deck Watch Officer and Coast Guard Cutter *Northland* as the Operations Officer.

Carrie Ding

Carrie Ding, Marketing Manager of Taiwan Tourism Bureau, loves to introduce Taiwan to people through a different lens.

Captain Dan Leininger

Dan is a retired Naval Officer and has been teaching maritime courses for more than 30 years. He holds a Master (Near Coastal) 100-GT License with Radar, Towing and Sailing Endorse-

ments. Dan has been an instructor at the Maritime Institute, Inc., for more than seven years.

Richard Markie

Dick started cruising Mexico in 1990 after selling his business and leaving California. He spent several years cruising all of the Mexican coast. He opened and ran Marina Mazatlan for many years before moving to Nuevo Vallarta, where he was charged with the designing and managing of Paradise Village Marina.

Vivian Matuk & James Muller

Vivian Matuk is the California State Parks Division of Boating and Waterways (DBW) and the California Coastal Commission's (CCC) Environmental Boating Program Coordinator and Clean Vessel Act Education and Outreach Program Manager. Vivian manages the statewide Boating Clean and Green program led by DBW and implemented in partnership with CCC. The program promotes environmentally-sound boating practices to marine business and boaters.

McIntosh & McCaleb

The McCalebs and the McIntoshes each have more than 45 years of sailing under their belts. Their sailing resumes include having sailed thousands of miles in the South Pacific, the Ca-

ribbean, and, more to the point of these seminars, the west coasts of North and Central America. In the process, they have made multiple trips up and down the coasts of California and Mexico, including several Baja Ha-Ha's and Baja Bashes.

Captain Steven Parry

Captain Parry is a 26-year veteran RYA Commercial Yachtmaster and runs Poseidon Charters, a yacht charter agency which specializes with crewed yachts, bareboat charters, unique advanced level flotillas and hands-on cabin charters. He is a guest speaker across North America and has been published in *Sail Magazine*.

Karen Reyna

Karen Reyna is the Resource Protection Coordinator for the Greater Farallones National Marine Sanctuary and the Director of the Seabird Protection Network, which is a collaboration of state and federal agencies, organizations, boaters and kayakers focused on minimizing harm to breeding and roosting seabirds along the California coast. Karen is a sailor, kayaker and paddler who was part of the California Marine Life Protection Act initiative.

Kame Richards

Kame Richards is a sailmaker and sail designer at Pineapple Sails, which he co-founded in 1973. Pineapple Sails makes both racing and cruising sails, literally building them from start to finish at its facility locally in Alameda, CA.

Zack Smith

Zack Smith for more than 20 years has published numerous training videos, technical reports, and articles related to the testing and development of para-anchors and storm Drogues. Smith has worked with the US Navy, US Coast Guard, and NASA in an effort to improve drag device safety.

Thomas Trimmer

Trimmer is the founder and owner of Custom Marine Products, a company specializing in marine solar systems for the cruising sailor. Mr. Trimmer has been a cruising sailor for more than 20 years and understands that the number one challenge to comfortable cruising is the availability of electrical power. His company has helped many sailors analyze their power requirements, evaluate solar products available, and design systems to meet their needs.

Let's Party

Celebrate TGIF Sponsored by *Latitude 38*

FRIDAY, APRIL 20 AT 6 P.M.

Join the Pacific Sail & Power Boat Show exhibitors at a Friday evening show tradition. Kick back and enjoy a party for one and all at Assemble Restaurant in the Craneway Pavilion. Plan to come to the show in the afternoon and then stay for the party. Attendees must be in the show by 5:30 p.m. in order to join the festivities. This lively evening with show exhibitors and sponsors promises to be a fun night to start your weekend with a bang.

Don't Miss Cruisers' Party

SATURDAY, APRIL 21, AT 6 P.M.

**CRUISING
OUTPOST**

More than a dozen years ago, Bob Bitchin and Jody of Cruising Outpost created the Cruisers' Party at the then-Strictly Sail Pacific. Cruisers come from all over to enjoy this annual celebration of the cruising lifestyle. Eric Stone will be live and in concert, while you enjoy a slice of pizza and a beer or glass of wine.

There will be great raffle prizes, including PureWater+ by Forespar, Kanberra Gel gift box, Mantus Anchors, and many more. Proceeds go to The Educational Tall Ship Foundation Project S/V Matthew Turner, being completed in Sausalito, CA.

The event is free and open to all show attendees and exhibitors. It starts when the show closes at 6 p.m. You must be in the show prior to closing to attend.

Be part of the biggest, most fun cruising party of the year!

Marina COSTABAJA

THE FINEST MARINA IN BAJA

Marina CostaBaja, at the Gateway to the Sea of Cortez in La Paz, South Baja.

Marina CostaBaja's protected location, concrete docks and double basin design offers controlled access to 250 prime slips for vessels ranging from 30-200 feet.

OUR PRIME FACILITIES

Potable desalinated water • Secure dock boxes • Largest fuel dock in the area • Crew lounge
Pump out service • 24 hour security • Laundry service

Visit **CostaBaja**, a master planned community and enjoy Golf or relax at the Beach Club or choose your future home among a variety of Condos, Villas and Townhouses.

Discover the most beautiful bays, islands and marine life in what is known as "The Aquarium of the World".

Family Cruiser

SUN ODYSSEY 440

Life at sea reinvented

For the past 60 years, Jeanneau has led the way in modern yacht design by embracing innovative thinking and modern technology. Today, fresh from the drawing boards of Philippe Briand and Jean-Marc Piaton comes the Sun Odyssey 440, an entirely new generation of Jeanneau completely reimagined to meet the needs of today's cruising sailor. From the inclined side decks to the split rigging and gentle companionway, life aboard has never been so comfortable.
