UNBEATEN SINCE 1979

Unchallenged since
8:20 this morning.

In Pewaukee, engineers whisper that the Cam-Matic is the best product Peter Harken ever designed. There are at least 68 secrets to why it works so well. First are the 33 ball bearings in each cam, stacked on three levels to balance and start them moving so easily. Next, the top of each cam is shaped to

allow even a loaded line to drop in from above rather than having to pull them open. Then, there's the cam radius which enables them to hold a wide range of sizes while still being kind to the line. When an idea works so well—for so long, it's logical you might focus on other things. Nope. Around here, that just makes it a target.

The Yacht Racing Association invites you to race in 2022!

Ahoy Racers!

How fantastic was it to be back out on the water for an almost normal full racing season in 2021? We were thrilled to be able to enter race results for almost all our races and see everyone out on so many starting lines all over the Bay Area. We are incredibly grateful to everyone who supported the YRA as we worked hard to come back from the mostly canceled 2020 season, and we want to send out another thank you to all of you who donated to the YRA to help keep our doors open at the beginning of 2021. We're here again with a full 2022 Master Calendar due in part to your help.

2022 is looking like it will be another fantastic year of racing in the San Francisco Bay Area.

Whether you sail a multihull, a classic woody or a one-design, sail shorthanded, sail on the ocean, or race under PHRF on the Bay, there are so many racing opportunities to choose from, and the YRA offers some of the best value for your racing dollars. We are bringing back our Shorthanded Sunday Series for those of you who like sailing doublehanded, and we are really looking forward to the YRA Bluewater Bash — our new 150-mile-long distance ocean race. The YRA Summer Series, the OYRA Series and our weekend regattas are all back on the schedule as well.

As always, we want to send out our thanks to the YRA member clubs that run races for us; we couldn't have a racing season without their support and the hard work of their race committees. You can find a list of our sponsoring clubs on page 8 of this booklet. Remember to send a wave of thanks to your race committees when you've finished a race.

This annual publication serves as your reminder that it's time to renew your PHRF certificate and YRA membership for 2022.

Both the YRA website and this booklet have all the information you need on the 2022

season, so pick your races, get them added to your calendar, start lining up your crew, and register online. Registration for all our races and series, and for PHRF certificates and YRA memberships, is done through www.jibeset.net. Just click on the Yacht Racing Association link on the left column of the www.jibeset.net home page to see our full list of registration options.

Be sure to check the YRA website for information on educational seminars coming up in 2022, and be sure to follow us on Facebook and Instagram to keep up with all the latest YRA news. We look forward to seeing you out on the water, and at YRA events, in 2022.

THE BEST JUST KEEPS GETTING BETTER

San Francisco's J105 Fleet #1 continues to put 20+ boats on the line in local fleet regattas, while consistently claiming top-5 spots at national championship events.

Come and join the fun!

Start Now! J105 North Americans at SFYC Sept. 29–Oct. 2, 2022

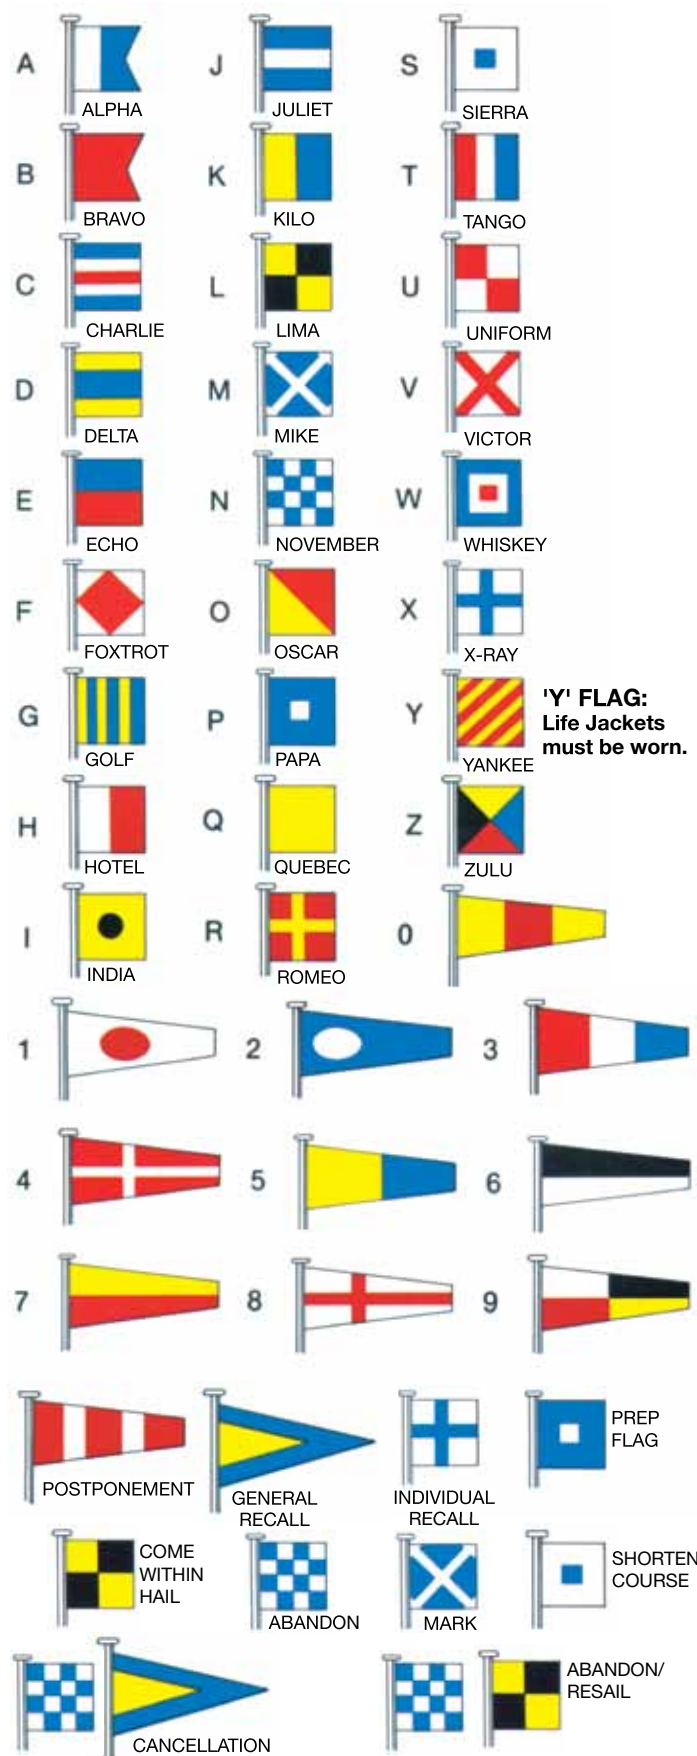

The support I have gotten from the fleet as a new owner has been amazing. You can't beat the combination of high-level competition and fun.

*-Eric Patterson

Rules

Latitude 38's Basic Racing Guidelines

Since sailboat racing is a recreational sport, we think the number-one rule should be to have fun. Beyond that, some basic guidelines help prevent collisions and ensure that racing is both fun and fair. Below is an outline of the 10 basic rules that cover most racing situations. For completeness and total accuracy, refer to *Racing Rules of Sailing 2021-2024*, published by US Sailing. See www.ussailing.org/rules for details.

1. Port tack keep clear of starboard tack.
 2. If boats are on the same tack and overlapped, the windward boat must keep clear of the boat to leeward.
 3. If boats are on the same tack, a boat clear astern must keep clear of a boat clear ahead.
 4. When tacking or jibing, keep clear of boats on a tack.
 5. Avoid collisions. If you have the right of way and hit the other boat, causing damage or injury, you will both be penalized.
 6. Don't obstruct. Don't make it hard for the 'keep clear' boat to do so. (No hunting allowed.)
 7. Sail the course prescribed. You have to round the marks in the directions specified in the Sailing Instructions and can't touch a mark.
 8. Proper Course (same tack, within two hull lengths). If the leeward boat came from astern, leeward boat shall not sail above its own proper course during the overlap. (Remember that the windward boat still has to keep clear, even if windward is forced above what it believes is windward's proper course. Leeward still has right of way.)
 9. Give room at marks and obstructions to yachts overlapped on the inside, except:
 - a. When the overlap did not exist before the lead boat reaches the three-boatlength zone.
 - b. When approaching a windward mark on opposite tack.
 - c. At a starting mark surrounded by navigable water. That is, you don't have to let a barge in at the start except to avoid collision (then protest).
 10. Acknowledge your fouls and protest those who don't.
- A free rule book comes with US Sailing membership. See www.ussailing.org.

VHF Radio Channel Uses

Of all the safety equipment on your boat, your VHF radio is probably the most effective and essential. Because VHF uses common frequencies, it's important to remember a few rules of marine radio etiquette:

- Radio checks, which should be performed at least every time you leave your slip, should always be conducted on channel 9, never on channel 16.
- Before hailing another station on channel 16, listen for at least one minute before keying your mic, so as not to "step" on radio traffic that's already underway.
- Speak slowly and pause for at least a minute between hailing attempts.
- Always start on the "low" power setting.
- Don't use the radio if you have non-emergency traffic that can be accomplished with a mobile phone.

CH. #	INTENDED USE
16	Distress, safety , calling. Monitored by the Coast Guard and public coast stations.
6	Intership safety purposes and search and rescue (SAR) communications. Not to be used for non-safety matters.
12	Offshore Vessel Movement Reporting System. In use from Pilot Boarding Precautionary Area Approach buoys N, W and S to outer limits of System (N 41 nm, W 29 nm, S 29 nm).
13	Bridge to Bridge commercial vessel navigation and safety communications. In use from the Offshore Pilot Boarding Precautionary Area (buoy SF #1 – Sea Buoy) to inside the Bay and throughout the Delta regions.
14	Vessel Traffic Service (VTS). Power Driven Vessels (40+ meters), Passenger Vessels (50+ passengers), Towing Vessels (8+ meters w/tow), Marine Events (committee boat, organizer). Check in, MONITOR , update, check out.
22A	U.S. Coast Guard Communications with USCG stations, vessels and aircraft after contact on channel 13 or 16.
7A, 8, 9, 10, 11, 18A, 19A, 79A, 80A, 88A	Port Operations. Commercial (intership and ship to coast) working channel. Commercial vessel business and operational needs.
9, 68, 69, 71, 72, 77A, 78A	Port Operations. Commercial (intership and ship to coast) working channel. Supplies, repairs, berthing, yacht harbors, marinas. These are the channels used by race committees.
26, 84, 87, 27, 28, 86, 25, 26, 27, 28, 28	Marine Radio-Telephone Operators San Francisco Sacramento, Stockton, Delta North: Bodega Bay to Fort Bragg and 50 miles out South: Santa Cruz to Point Sur and 50 miles out
12, 20, 65A, 66A, 73, 74	Coast Guard Port Operations. Traffic advisory for use by agencies directing movements of vessels in or near ports. Offshore Vessel Movement Reporting System.

2022 Beer Can Series

'Beer Can' racing is a general term for midweek, after-work summer series racing hosted by various clubs throughout the Bay Area. The 2022 Beer Can Series schedule follows. Beer can races are great venues for sailors to learn racing skills, try out new crew, bring the family, socialize, and have fun.

If your club has a beer can series you would like us to list here next year, please email your schedule and contact information to soren@latitude38.com by November 12, 2022.

Master Mariners Wooden Boat Show

SUNDAY, JUNE 26 10 A.M. – 4 P.M. CORINTHIAN YACHT CLUB

Our Annual Regatta
 Saturday, May 28

View classic sailing vessels, meet their skippers and learn the yachts' unique history. Show proceeds to go to Master Mariners Benevolent 501(c)3 Foundation. The Foundation provides scholarships for youth sailing, wooden boat building and maritime education. Also provides for the preservation of SF Bay Classic yachts. MMBF is dedicated to preserving the continuity of traditional yachting on San Francisco Bay.

The Master Mariners Benevolent Association is dedicated to fostering participation in yachting and the preservation of classic and traditional sailing craft. During the Boat Show, the Corinthian Yacht Club outdoor bar and grill is open for lunch and there is model boat building for kids. Children under 12 free when accompanied by an adult.

OPENING PRE-FEEDER

The new Schaefer opening pre-feeders solve many issues on the bow of any racing sailboat. Our two sizes cover boats in all ranges. The 45-06 is our non-adjustable opening pre-feeder with a computer machined finish for a smooth entry. The single pull opening feature allows for quick disengagement. Our 45-07 Grand Prix design allows the flexibility to adjust for various luff tape sizes from #5 through #8.

Double Handed sailing has become very popular in race venues across the nation. Many sailors have expressed a desire to increase the number of races available for double handed sailing and so the YRA has expanded its series just for double handed sailors. Join in the fun of sailing your boat with a smaller crew and the challenges of short-handed sailing.

Youth Sailing

Looking for a new way to entertain your kids this year? Look no further than the Bay Area's dozens of junior sailing programs. Many offer scholarships, and, with rare exceptions, you don't need to have your own boat. Unless noted below, club membership is not necessary.

Alameda Community Sailing Center

Located at the Encinal Boat Ramp in Alameda, ACSC is a non-profit community sailing center and a US Sailing Siebel Sailors Program.
SCHOLARSHIPS AVAILABLE for all programs:
Spring & Fall After-School Sailing Clubs: Ages 7-17. Six-week sessions.
Spring Break Camp: Ages 7-14. All day for one week.
Summer Camps: Ages 7-17. Two-week sessions. June-August, 9 a.m. - 4 p.m.
Adult/Family Learn-to-Sail Courses: Ages 7-99. Two full weekend days.
Open Sail: Every Saturday, 11 a.m.-2 p.m., April-November. All sailors welcome.
info@SailAlameda.org, www.SailAlameda.org

Bay View Boat Club & Mariposa Hunters Point Yacht Club (San Francisco)

Entry-level youth sailing on club boats for 8-15 years old. Dates TBA Saturday and Sunday

The NCPHRF rating certificate is a contract between you, the NCPHRF Committee, and your competitors. You and your competitors expect this form to be accurate and that the reported characteristics will be maintained while racing. Failure to advise the NCPHRF Committee in writing of ANY modification to your boat which will alter its sailing performance may be grounds for protest and disqualification of the yacht. Your rating is valid through December 31 of the year issued. I certify that the above information is accurate and correct, that I have read the NORTHERN CALIFORNIA PHRF RULES AND GUIDELINES, and concur with, and agree to sail by those terms and conditions.
